

You will be required to do certain things on the job to help
Some of these are:

1. You **must** do everything you can to prevent dust or getting asbestos fiber into the air where it could be inhaled.

2. Strict rules about how to perform your job **must** be followed at all times.

3. In some areas you may at times be required to wear a respirator temporarily or other forms of personal protective equipment. You **must** wear this equipment properly whenever it is necessary.
