Subject: Connecting with Mo Gauthier and Rick Hepburn

Hi Brittany,

I hope this email finds you well. Congressman Rob Wittman is thankful to have had some time to meet with Director Vought. During the meeting, he mentioned that he wanted to connect the Director with Mo Gauthier and Rick Hepburn to share their perspectives on navy shipbuilding. If Mr. Vought chooses to reach out, I've provided their contact information below. Thank you again for your help in setting up the last meeting.
