Dear Mr. Grumbles:

We would like to ask you to review for us the final draft report of a study on business and environment which we have conducted at the Center for Environmental Management. Enclosed please find the draft of *Corporate Environmental Management: Methods and Motivations* for your critical review and commentary. This report represents a synthesis and summary analysis of data collected from 15 chemical companies.

If possible, we would appreciate your comments on this draft by September 15, 1991. Any and all comments are welcome, and in the format most convenient for you, such as written, by telephone, or marked up draft. If you have any questions, please call us at (617) 381-3486.

Thank you in advance for reviewing this draft final report. We look forward to receiving your comments.

Sincerely yours,

Kurt Fischer
