

1           Q     Throughout -- what was it, 49 years that you  
2     worked?

3           A     I have been a plasterer for 49 years. I  
4     belong to the International union 49 years, yes.

5           Q     And they stopped using asbestos sometime in  
6     the what, late '70s, in the plaster?

7           A     Yes, I believe so.

8           Q     So for at least your 30 years and at least  
9     for 30 years that Mr. Vandergucht was a plasterer, you  
10    were using a lot of United States Gypsum asbestos-  
11    containing plasters, weren't you?

12          A     That is right.

13          Q     Now, on the Commercial Credit job there was  
14    also pipecovering used there, wasn't there, sir?

15          A     Yes, there was.

16          Q     And I believe, if I read your testimony  
17    correctly that the pipecovering used there was  
18    Armstrong pipecovering?

19          A     Yes, it was.

20          Q     And that was the asbestos pipecovering?

21          A     Yes.
