Re: Memice v. PPG Industries, Inc.

Dear Mr. Leadbetter:

I enclose herewith, for your records, a copy of the correspondence to plaintiff's counsel by which I advised him of your position concerning release of the subpoenaed documents without a medical authorization from plaintiff. As you know, we sought by subpoena returnable July 7, 1986 any and all employment records of Joseph Memice, including, but not limited to personnel, medical, compensation, and worker's compensation records. Pursuant to our arrangements, you will now release all such records to us.

This will further confirm the arrangements we have made to meet at the Passaic facility of Pantasote on Monday, October 27, 1986, at 1:00 p.m. I look forward to meeting you at that time.

Very truly yours,

*Claire T. Barile*

Re: Manice v. PPG Industries, Inc.  
Docket No. L-20509-86

Dear Mr. Princiotto:

This letter will serve to confirm my several telephone calls and messages to your office on Thursday, October 23, 1986, and Friday, October 24, 1986. As I advised you through your office staff, Pantasote has agreed to produce the documents requested in my subpoena of July, 1986 without a written medical authorization from plaintiff, so long as you have no objection to that production. I requested your immediate advice if you had any objection to this production. Since I have not heard from you, I assume that you do not object.

I intend to pursue appropriate arrangements with Pantasote accordingly.

Very truly yours,

Claire T. Barile
