Let's just set up a phone call. I'm in the middle of getting him ready for a meeting again with the President and testifying tomorrow. He's also traveling internationally next week and I'm prepping him for that. This is a particularly bad time.

Ryan: I know it won't work for you today it sounds like you are at the WH today most of the day. It would really help me with Phil and the client if you could get me some times that we can lock in a meeting or call before the holidays. Sharnett told me you are traveling internationally but even if a call this week before you leave or after you get back – that would be very helpful for me to get something on the books.

Very much appreciate it.

Thanks

Rob

Sharnett & Ryan: Thanks for your help and appreciate the scheduling challenges. So we still

have some time tomorrow before Phil leaves – available from 1145-130 tomorrow. If that doesn't work, Phil will be back in DC and available next Monday December 11<sup>th</sup> from 12-6pm and since we have some updates we want to relay to Ryan – if neither works since you will be doing international travel – maybe we can look at dates when Ryan comes back or schedule a call to go over the issues before the holiday. Please let me know what you prefer.

As always, I appreciate your time and willingness to meet.

Rob
