Tate,

My last day with Americans for Prosperity is Friday — I recently accepted a political appointment at the Department of Energy. Beginning Monday, I start as senior advisor for external affairs in the office of electricity.

I'd like to connect you to my colleague Mac Zimmerman as a new point of contact for AFP. Would you be able to include Mac on your distribution lists, and could you please work with him on AFP matters moving forward? He's copied on this email. <[mzimmerman@afphq.org](mailto:mzimmerman@afphq.org)>.

Thank you for being a helpful resource on the important actions coming out of the administration. Looking forward to joining you on the inside.

Chrissy
