Dr. Leroy U. Gardner, Director
The Saranac Laboratory
Saranac Lake, N.Y.

Dear Dr. Gardner:

Dr. Irwin and I have studied with much interest your letter of October 11th and the accompanying report. We have not had a chance to discuss it thoroughly, as both of us have had quite a little travelling to do, but I will hope to be able to write you about it in a preliminary way before the meeting of the Industrial Hygiene Foundation, and then we can discuss it at that time.

Very truly yours,
