Hi Karen! I miss you guys as well. There's over a couple hundred outstanding invitations so I'm glad Mark Malone reached out today. He's in NV and NM that week for Monument Review. Then he's back for a few days in August before going on personal vacation. But we just went from scheduling day to day to a couple of weeks out. I told Mark I'd follow up with him next week with some potential date options. I hope that's helpful.
