

Letter (Date)

March 2, 1973

Steel Division

Mr. M. L. Allen, SS# 1132

This letter written in compliance with the Williams - Steiger Occupational Safety and Health Act of 1970 is to inform you that at the time sample tests were made to determine the asbestos exposure, your tests exceeded the limits.

You shall wear a respirator when performing your pipe covering job.

F. G. Manning
F. G. Manning, Supervisor
Industrial Safety Section
