Subject: Yellowstone National Park, November 2023 Monthly SWTR Reports?
Date: Monday, December 11, 2023 9:13:00 AM

Hi Jason,

We haven't received the Yellowstone National Park monthly surface water operation reports for November 2023. Could you send these reports in to R8DWU@epa.gov soon as possible?

I hope you are well!

Thanks!

Jake
