

Interoffice Communication

To John Friend, Aberdeen, Mississippi
From J. H. McCulley, Ponca City, Oklahoma
Date February 24, 1984
Subject VCM RELEASE PREVENTION MEETING

Attached are notes and action steps from last year's VCM release prevention meeting. In some cases, work that was underway when the meeting was held has since been completed.

John H. McCulley, Jr.
Chief Process Engineer
Chemicals (Vista) Division
Process Engineering Department
