Attachments: EPA Meeting Request Form - Acting Administrator Wheeler - Global Automakers Oct 2018.pdf

Thank you, Aaron.

Please see the attached request/invitation for Acting Administrator Wheeler to meet with John Bozzella, President & CEO of Global Automakers, and the heads of the DC offices for Honda, Hyundai, Kia, Maserati, Nissan, Subaru, and Toyota.

This has been written to invite the Administrator to meet with our group as part of a standing meeting we have on October 10th, in Washington DC. However, we are flexible and open to alternative dates/times and also to meeting at EPA if that is more convenient.

Please feel free to contact either myself or Michelle Hernandez with any questions or if you need any additional information.

Best, Julia

Subject: RE: Request meeting with Acting Administrator Wheeler

Hi Julia

Can you complete the attached meeting request form and return to me? Unfortunately, Acting Administrator Wheeler will not be available until October for a possible meeting, so please include those dates on the form. I will then be back in touch regarding your request. Thanks again.

Aaron Dickerson
Office of the Administrator
U.S EPA

Michael and Aaron,

Just wanted to follow up and see if there is any additional information I can provide to assist with my request, below. Please let me know.

Best, Julia

Subject: Request meeting with Acting Administrator Wheeler

Michael and Aaron,

I would like to request to set up a meeting between Acting Administrator Wheeler and the Association of Global Automakers. We have not yet met with Acting Administrator Wheeler, and so the primary purpose of this meeting would be a meet and greet. However, given that there is much going on in the light-duty vehicle greenhouse gas and fuel economy world right now, I would also expect there to be much focus on this topic. Global Automakers represent members' account for 47 percent of retail vehicle sales in the United States and include Honda, Aptiv, Aston Martin, Bosch, Byton, Denso, Ferrari, Hyundai, Isuzu, Kia, Maserati, McLaren, Nissan, NXP Semiconductors, Sirius XM, Subaru, Suzuki, and Toyota.

I understand the Acting Administrator's schedule is busy, but I would like to suggest the following dates to see if they might work for a 45-minute meeting: September 17, September 18, and September 24 (afternoon only). I have copied John Bozzella's (President & CEO of Global Automakers) Executive Admin, Michelle Hernandez, who can assist in arranging dates per the Administrator's schedule, whether on the requested dates or otherwise.

Please let me know if you require any additional information for this request, and thank you in advance for your assistance.

Best, Julia
