SUBJECT: Reprint From TEXACO STAR

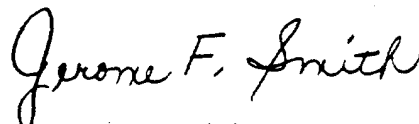

TO THE MEMBERS OF THE LEAD INDUSTRIES ASSOCIATION, INC.:

Attached for your review is a reprint of the article "8 Surprises" which, amongst other places, appeared in the Winter edition of the TEXACO STAR.

We thought you would be interested in the statement which is very well documented by Dr. McKetta that much of the environmental brouhaha of recent is ill-founded.

We have a few extra copies of this report if you would like them.

Sincerely,

Jerome F. Smith
Secretary & General Manager
