Subject: Moot Court: Delaware v. EPA (D.C. Cir.) (challenge to one-year extension of Philadelphia-area ozone NAAQS attainment deadline)
When: Wednesday, September 27, 2017 2:00 PM-4:00 PM (UTC-05:00) Eastern Time (US & Canada).
Where: Room 8000: Patrick Henry Building, 6th and D St., NW or teleconference (see dial-in information below)

We're proposing to reschedule this moot court for the afternoon of Wednesday, September 27 to avoid a conflict with OSG's moot court in the WOTUS jurisdiction case.

We're proposing to reschedule the Delaware moot court for Tuesday afternoon, October 3

All:

The DC Circuit has scheduled oral argument for Thursday, October 5, in this petition for review of EPA's decision to grant a one-year extension of time for the Philadelphia area to come into attainment with the 2008 ozone NAAQS. We are planning a moot court in PHB 8000 at 2pm ET on Monday, October 2. If this time presents a conflict for anyone planning to attend, please let me know (EDS managers: we will plan to reschedule our weekly meeting for another time that day).

If anyone wants to participate by phone, please dial (b)(6) passcode (b)(6)

Phil Dupre is the attorney on this matter and will distribute copies of the briefs a week or so in advance of the moot court.

If you have any questions, let me know. Thanks,

Eric Hostetler

Senior Counsel for Appellate Matters

Subject Tri-State Generation and Transmission
Location 3528 WJCN
Show Time As Tentative

I am writing on behalf of Tri-State Generation and Transmission to request a meeting with Mandy Gunasekara. If possible, we would like to meet with her on Thursday or Friday of next week, the 28th or 29th. We are available any time on the 28th or 29th except 1:00 – 2:30 on Thursday. If you have any flexibility, Thursday morning or Friday after 10 a.m. would be ideal, but we will make ourselves available any time that works for Ms. Gunasekara. The purpose would be to talk about the proposed Holcomb 2 power plant in Kansas, a new 895 MW coal-fired unit that Tri-State and Sunflower (another rural coop) have been developing for many years. Tri-State is the lead developer and owns 7/9ths of the project.

Just a few weeks ago, after 11 years of permitting and litigation, the Kansas Supreme Court upheld the PSD permit for Holcomb 2, and we now have all the government approvals needed to proceed with construction. Given the time needed to permit any coal-fired plant, we believe that Holcomb 2 is probably the only coal-fired plant that can be constructed in the U.S. in the next 5 years.

Along with me, the only person attending the meeting on behalf of Tri-State would be Barbara Walz, the Senior VP for Policy and Compliance at Tri-State.

Please let me know if you have any questions.

Thanks,

Jeff Holmstead

Subject OGC Mindfulness
Location WJN 6013 | Call-in: (b)(6) [redacted]
Show Time As Tentative

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Folks,
This meeting has been cancelled at the request of Arkansas. ADEQ plans to send EPA a complete draft of their SIP proposal by Friday, and they think it will be more useful to have the meeting afterward.
I□ll circulate a new invitation for the rescheduled meeting once I know ADEQ□s schedule.

Subject Strategic Planning Discussion: Focus on External Civil Rights & Ethics
Location 4045
Show Time As Tentative

All- Thank you for the productive meeting today. As far as completing the process for the remaining three primary functions here is the plan:

* We will use the Wednesday 12:00 meeting to focus on the primary functions of:

o Enforce External Civil Rights, and

o Oversee Ethics Program

* We will set another meeting where we will:

o Focus on the Provide Mediation/Facilitation primary function, and

o Resolve whether the FEAT is covered by the existing primary functions or requires a new primary function.

As discussed, you are not required to attend either of these sessions unless you contribute to these primary functions, but I am hopeful that at least a couple folks will join in and assist these offices much like they assisted our work on the first two functions.

Thanks, Kevin

WEBINAR: How Agencies Reverse Policy: Stays, Remands, and Reconsideration

Event Description

Since the presidential transition, EPA and other agencies have used a variety of tools to change policies and regulations. Three common tools they have used are stays, remands, and reconsideration. Agencies administratively stay the effective date of rules preventing them from going into effect, seek voluntary remand of rules in litigation to revisit rules administratively while avoiding a judicial decision, and administratively reconsider rules. Some of these actions have been the subject of the heated litigation, and the courts have acted to constrain agency discretion, including in an important D.C. Circuit decision rejecting EPA's stay of the oil and gas methane rule (Clean Air Council v. Pruitt, no. 17-1145). Our expert panelists will discuss the use of these legal tools in changing agency policy, and offer cutting-edge perspectives from the government, the private sector, and the environmental advocacy community.

DIAL-IN
Host Dial-In: (877) 369-5243
Leader Code: 3543349##

Thanks Liz!

Michael Catanzaro will also be on the call, from our end. In terms of run of show, Samantha should walk the surrogates through the action, grounds, and what it all means (the "so-what/major impact" points to be made on TV). The group invited includes energy experts, think tanks, conservative cable TV pundits and columnists.

When you dial-in, you will be greeted by an AT&T operator, who will put all of us in a special queue. We can then hash-out the official run of show before being connected to the larger surrogate group. The AT&T operator will run the Q&A portion of the call after the briefings have been done.

Thank you all for doing this. If you have any questions, please call me at (202) 881-7743.

Location DCRoomARS6226/DC-Ariel-Rios-OECA-NETI

Show Time As Tentative

DDG Presents a repeat session on learning about your temperament, facilitated by a former OGC attorney, Lakeisha Grant. (Bio below)

What's your primary working temperament? Come find out -- and pick up tips for working successfully with people of each temperament!

*Please bring your laptop in order to take a free, 5-10 minute on-line Temperament Test. Please don't take the survey beforehand. Thank you.

Lakeisha Grant joined EPA in 1999 as an attorney-advisor in OGC's then Civil Rights Law Office. She currently works in EPA's Office of Enforcement and Compliance Assurance (OECA) as a senior advisor to OECA managers on various employment law matters. In this capacity, Lakeisha regularly works with OGC's Employment Law Practice Group and EPA's Labor and Employee Relations Division. While Lakeisha has litigated various employment matters, she particularly enjoys proactively working with management to both guide effective decision-making and facilitate the resolution of grievances, EEO complaints, and labor/management disputes. Prior to occupying her current position, Lakeisha served as the first attorney-advisor to join EPA's Labor and Employee Relations Division.

Lakeisha developed her interest in working at EPA while obtaining her law degree from the University of Virginia School of Law. Lakeisha also has a bachelor's degree in English from the University of Virginia.

If you have any questions, please contact Monique Patrick.

Location Tadich Grill, 1001 Pennsylvania Avenue, NW
Show Time As Tentative

As an EPA LGBTQ+ Ally and OGC's Special Emphasis Program Manager (SEPM) for LGBTQ+ employees, I hope you can join me and other colleagues to mark the 29th anniversary of National Coming Out Day on October 11 at a happy hour at the Tadich Grill, 1001 Pennsylvania Avenue, NW, starting at 5 pm.

One out of every two Americans has someone close to them who is gay or lesbian. For transgender people, that number is only one in 10. Coming out – whether it is a lesbian, gay, bisexual, transgender, queer or allied – STILL MATTERS. When people know someone who is LGBTQ+, they are far more likely to support equality under the law. Beyond that, our stories can be powerful to each other.

However you identify, and whether you are out or not, here are some helpful and educational resources and for all of us:

Click here <https://usepa.sharepoint.com/sites/OAR_Community/LBGT_AT_EPA/LGBT%20Ally%20Pledge%20at%20EPA/SitePages/Home.aspx> to learn more about becoming an EPA LGBTQ+ Ally an EPA LGBTQ+ Ally.

Title: Shaping the Future of Human Health and Environmental Protection: Latinos in EPA and the Environmental Community
When: Oct. 12, 12 – 1:15 p.m.
Where: WJC South Room 6226

EPA's Office of Enforcement and Compliance Assurance (OECA), Office of the Chief Financial Officer (OCFO), and Office of Environmental Information (OEI) cordially invite you to attend a panel event celebrating this year's Hispanic Heritage Month (HHM).

The 2017 HHM theme selected by the National Council of Hispanic Employment Program Managers is "Shaping the Bright Future of America." The event will feature a panel of EPA leaders and staff, as well as the head of the National Hispanic Environmental Council, and showcase the work they are doing to shape the future of human health and environmental protection. The panelists will also discuss, among other things, ways to engage with those in the Latino community – who are becoming our future policy leaders - in a way that encourages them to address environmental protection and environmental matters.

Panelists will include:

* Matthew Tejada, Director, Office of Environmental Justice (moderator)
* Sally Gutierrez, Director, Environmental Technology Innovation Cluster Development and Support Program, ORD
* Roger Rivera, President, National Hispanic Environmental Council
* K. Blair Budd, Office of the Chief Financial Officer

Light refreshments will be provided. For additional information, please contact Eric Marquina (b)(6) or Marquina.Eric@epa.gov <mailto:Marquina.Eric@epa.gov> . For reasonable accommodations, please contact Maya Newman (OECA) at (b)(6) or Newman.Maya@epa.gov <mailto:Newman.Maya@epa.gov> .

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Subject DDG Potluck Tales
Location WJC-N Room 7530
Show Time As Tentative

The DDG is excited to host another Potluck Tales this Fall, so please consider bringing a dish to share that has a story associated with it — something unique about you and your cultural background, experiences, heritage, family traditions, etc. We just ask that you attach a paragraph or a couple sentences to your dish to describe its significance to you. And if you'd like, please include the recipe too!

We're planning to include these stories and recipes in the cookbook chapter of the "OGC: This Is Us" book (see attached email for more details) unless you prefer that we don't.

We hope you can join the DDG for Potluck Tales over lunch to connect and learn more about your diverse fellow OGC colleagues through food!

To sign up, please email me at anderson.steve@epa.gov <mailto:anderson.steve@epa.gov> to let me know you're interested in bringing something.

If you have any questions about the potluck, please contact Steve Anderson at 564-3137 or Anderson.Steve@epa.gov <mailto:Anderson.Steve@epa.gov> .

For any questions about the "OGC: This Is Us" book, please contact Kendra Brown at 564-1922 or Brown.KendraR@epa.gov <mailto:Brown.KendraR@epa.gov> .

Can we have a quick call on the Title V petitions this week? You, me, Richard Hyde (Executive Director), Stephanie Bergeron Perdue (Deputy Executive Director), and Steve Hagle (Deputy, Office of Air). It shouldn't take long, but we all discussed today and think it might be quicker on the phone. If that works for you, I'll put Alex in touch with Richard's scheduler, Barbara.

Thanks,

Location 6013 WJC-North/South
Show Time As Tentative

Dear Erik, David and Justin,

I hope you'll be able to stop by the ADRLO open house tomorrow in 6013 between 1:30-2:30. It's a great opportunity to learn about the mediation, facilitation and training services we offer EPA-wide. We have supported a broad range of successful programs and projects to help make sure that states, tribes, communities, the regulated community and others have a seat at the table when EPA sets policy, enforces regulations, works with

parties to clean up Superfund sites, and more.

We provide coaching and training for OGC and ORC attorneys and other EPA staff to help them more effectively engage with stakeholders and obtain mutually agreeable outcomes with other parties.

Best,

Jeanne

To: Li, Ryland (Shengzhi); OGC ALL USERS
Subject: OGC Mindfulness
When: Monday, October 23, 2017 4:30 PM-5:00 PM.
Where: WJN 6013 | Call-in: (b)(6) [redacted]

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join

your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article<https://perma.cc/5PDE-L5QN>. Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Good morning,

In recognition of Disability Employment Awareness Month, the DDG is hosting a conversation to increase our awareness of disability issues in our workplace and surrounding communities.

Our discussion will primarily focus on the following four articles:

https://www.washingtonpost.com/news/wonk/wp/2015/1 0/23/after-years-of-trying-to-make-it-easier-for-disabled-people-to-go-back-to-work-its-as-hard-as-ever/ <https://www.washingtonpost.com/news/wonk/wp/2015/ 10/23/after-years-of-trying-to-make-it-easier-for-disabled-people-to-go-back-to-work-its-as-hard-as-ever/>

https://www.nytimes.com/2017/06/21/opinion/stories-about-disability-dont-have-to-be-sad.html <https://www.nytimes.com/2017/06/21/opinion/storie s-about-disability-dont-have-to-be-sad.html>

http://www.bbc.com/capital/story/20170605-the-hidden-challenges-of-invisible-disabilities <http://www.bbc.com/capital/story/20170605-the-hidden-challenges-of-invisible-disabilities>

http://knowledge.wharton.upenn.edu/article/job-discrimination-against-the-disabled-not-just-an-academic-issue/ <http://knowledge.wharton.upenn.edu/article/job-discrimination-against-the-disabled-not-just-an-academic-issue/>

Additionally, here is a link to several short videos on disability etiquette:

http://www.cap.mil/NewsEvents/Training.aspx?Traini ngType=1

- Disability Etiquette Part One: Introduction and Background

- Disability Etiquette Part Two: Individuals with Dexterity and Mobility Limitations

- Disability Etiquette Part Three: Individuals Who are Blind or Have Low Vision

- Disability Etiquette Part Four: Individuals Who Are Deaf or Hard of Hearing

- Disability Etiquette Part Five: Individuals with Cognitive Limitations

- Disability Etiquette Part Six: Individuals with Communication Limitations

- Disability Etiquette Part Seven: Individuals with Non-Obvious Disabilities

Each of the seven videos is about five minutes long and produced by the Computer/Electronics Accommodations Program, a DOD-housed programs that helps all federal agencies, federal employees, and wounded service members acquire training and technologies they need for their jobs at no cost to the agency/individual. While not perfect, the videos are a very good start and pretty comprehensive for as short as they are. We will not specifically discuss the videos during the talk but they may be referenced. They are being shared to provide additional resources for more information.

We look forward to having you join us on the 24th ! Light snacks will be provided. Feel free to bring your own beverage.

If you have any questions, please contact me.

Per discussion just now with SD & BB – OGC's edits have been passed on to OAR/sharepoint.

Per an email from Josh Lewis Tuesday, there are a bunch of outstanding edits responding mostly to OMB policy issues.

OP requests that we find a time today or tomorrow for the team on this email to go through the remaining issues (Erik, I'm including you in case OP/Mandy need counsel on the pending litigation, but I understand if you can't make it).

It would be good to close this out tomorrow, which I understand is AS's last day as the OIRA desk officer.

Subject The Remarkable Evolution of American Environmental Law… (HLS Webinar)

Location WJCN-4304

Show Time As Tentative

Hi OGC:

Kevin thought folks might be interested in gathering to watch this webinar together.

We have reserved 4304, so if you are in the building, please join us. Otherwise, feel free to watch from your office/telecommute locations using this URL: http://200.hls.harvard.edu/events/hls-in-the-world/past-future-environmental-law/ <http://200.hls.harvard.edu/events/hls-in-the-world/past-future-environmental-law/>

Some of the world's most pressing problems concern environmental protection, climate change, and energy policy. Is American environmental law robust enough to respond to these challenges? What does the future hold with a new administration? Has American leadership on global environmental issues reached its zenith? These and other pressing questions about the past and future of environmental law will be addressed by a distinguished panel of former senior government officials: A. James Barnes, Gina McCarthy, and Bill Reilly. The discussion will be moderated by Professor Jody Freeman.

Hi Sara,

Thank you for your patience as we figured out the right folks to get together both from OMB and EPA. By way of introduction, Justin Schwab, David Fotouhi and Mandy Gunasekara are best suited for this discussion from EPA.

We would like to recommend a coordinating call for November 1 at 9:30 am ET.

Amanda Robbins will send around the calendar invite with conference

line instructions when confirmed.

Thank you,

Jessica

Subject OneDrive Training for OGC -- REMINDER

Location ARS, NETI Room No. 6226 and Adobe Connect*

Show Time As Tentative

NOTE: This training was rescheduled due to unforeseen circumstances with the trainer's schedule.

As the OneDrive Adoption Campaign Advocate, I coordinated with OEI to set up this two-hour session for OGC users. During the first hour, a OneDrive Trainer will conduct a demonstration on the topics listed below. The second hour is designed as "open office hours" in which users may bring in their laptops to get specific questions answered.

* Why should I use OneDrive?
* Setting Up the Update and Syncing
* Uploading Files
* Creating New Files and Folders
* Sharing Files and Folders
* Co-Editing Shared Files

*Remote Session (no phone number is needed as computer audio is available):

If you need to request closed captioning for this event, please contact Patrick Yellin (yellin.patrick@epa.gov <mailto:yellin.patrick@epa.gov>) at least one day in advance.

Location 5415 WJCN
Show Time As Tentative

Attendees and materials to follow

Hi Mandy and Alex,

I hope this finds you well. In the past, API mentioned the voluntary efforts our companies are engaged in to lower methane emissions. We are working to launch a more formal API Voluntary Program early next year and would like the chance to come in and discuss the program particulars. Right now, our members are reviewing the program requirements and must make a decision about sign on by the first week of November. Are you guys available during the second week of November to chat about the voluntary efforts by industry and how this program, in conjunction with EPA efforts on the NSPS reconsideration, can result in some marked reductions in methane emissions.

Let me know if you have some time the second week in November.

Thank you for your consideration.

Regards,

Hilary

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term

commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

If other Program Offices or Regions have new employee-centered communication projects, please feel free

to share this information on the 29th.

I look forward to speaking with everyone on November 29. In the meantime, please visit the IC-COP site <https://usepa.sharepoint.com/sites/OA_Community/epaiccop/SitePages/Home.aspx> if you would like information on our previous sessions, they are all located under the documents folder.

Show Time As Tentative

Hello OGC!

It is that time of year again and the CFC is providing us all with the opportunity to simply and easily contribute to causes we care about. In celebration of that effort and to raise awareness within our office of the great new online donation system, we are hosting an OGC Bake-Off!

Join us to taste the delicious baked goods made by your coworkers and vote for your favorite(s)! For all of the talented bakers out there, please send me an email letting me know if you plan to participate so we know about how many contributions to expect. CFC keyworkers from OGC, Alyssa and myself included, will be on hand with laptops to walk people through donating online if anyone would like assistance. We hope to see you there!

Rules of the Bake-Off for Bakers:

* Please drop off your baked items in 7346 between 12:30 and 1 if possible. If you are not available during that time, drop off your baked masterpiece with Allison (7353E) or Alyssa (7507J) earlier in the day.
* Provide a small sheet of paper listing what your baked item is called and whether it is vegan, contains nuts, etc.
* Come back between 1 and 3 and enjoy!
* Votes will be tallied at 3 and the bake-off champion will be announced!

Rules of the Bake-Off for Tasters/Judges:

* Come to 7346 between 1 and 3 and taste the delicious baked goods provided by OGC's master bakers.
* If you are interested, learn about how CFC works and consider donating online! We will have a laptop available.
* All participants will be given a limited number of votes to cast. Those who donate at the event or who have already donated through CFC this year will receive additional votes to cast.
* Votes from one taster/judge may be awarded according to that voter's

preferences. For example, one voter may choose to award all their available votes to their favorite baked good while another voter may choose to split their votes among their three favorite items.
* You do not need to vote for a baked item in order to taste it! Please feel free to taste as many or as few as you like and vote only after you have tried the baked goods.
* Be there at 3 or watch your inbox to find out whether your favorite won!

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article<https://perma.cc/5PDE-L5QN>. Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Please join OGC's Alternative Dispute Resolution Law Office for a discussion of how EPA advocates determine whether and how mediation might benefit negotiation efforts.

In particular, participants will learn:

* The kinds of negotiation challenges that mediation might help overcome

* Factors to consider to determine whether to use mediation

* Confidentiality and when FOIA Exemption 3 applies (see attached confidentiality reference guide)

* How to shape the mediation process to meet EPA objectives

* How to select the right mediator

* How to hire/retain the services of a mediator at EPA

Remote attendees: Please be prepared to watch a short video about mediation via the link provided above. We will let you know when to start the ~4 minute video, and we will pick back up with our conversation via the conference line after the video concludes. We will not be streaming the video via Adobe Connect, as the feed is rather choppy.

The purpose of this meeting is to discuss the Fishbowl Memo in relation to Matt Leopold's anticipated arrival. I suggest we discuss (1) Timing: is this a first-month issue for the new General Counsel? (2) Agency

Leadership: should OGC or another organization elevate the Fishbowl questions to the Third Floor? (3) what should a possible 2018 Fishbowl Memo say? and (4) what should be EPA's practice during the deliberations, how should the practice be communicated and by whom?

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us

directly.)

* The terms “mindfulness” and “meditation” hold different meanings for different people. As used here, the term “mindfulness meditation” broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Subject OGC Mindfulness
Location WJN 6013 | Call-in: (b) (6) [redacted]
Show Time As Tentative

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Subject OGC Mindfulness
Location WJN 6013 | Call-in: (b) (6) [redacted]
Recurrence Occurs every Monday effective 1/22/2018 until 1/29/2018 from 12:30 PM to 1:00 PM
Show Time As Tentative

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the

sensations, thoughts, and emotions that arise.

Location NEW LOCATION: 7428 | Call-in: (b) (6) code (b) (6)
Recurrence Occurs every Monday effective 2/5/2018 until 2/12/2018 from 12:30 PM to 1:00 PM
Show Time As Tentative

NEW LOCATION: Please note we are meeting in WJN 7428 this month.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present

moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Please plan to join CRFLO for a sweet send-off for Lakeya Brantley! Lakeya has been part of the CRFLO team since 2016 and works in both the Assistance and Appropriations Law practice groups. We appreciate the value she's added to CRFLO. While engaging in her substantive legal work, Lakeya fully embraced the OGC core values. She was an active member of the 2017 OGC Diversity Dialogue Group and recently was selected to serve as the OGC Pro Bono Coordinator. Lakeya plans to rejoin her family in Georgia.

Subject: Ceremonial Swearing-In for Matt Leopold as EPA's General Counsel
When: Monday, February 26, 2018 12:00 PM-1:30 PM (UTC-05:00) Eastern Time (US & Canada).
Where: EPA Headquarters, U.S. EPA Rachel Carson Green Room (1200 Pennslyvania Avenue NW)

Guests,

Please be advised of a slight time change for the Ceremonial Swearing-in of Matt Leopold as EPA's General Counsel on Monday, February 26, 2018. The ceremony is now scheduled for 12:00pm. in the EPA

Headquarters, U.S. EPA Rachel Carson Green Room (1200 Pennsylvania Avenue NW). There will be a reception to follow.

Directions for Guests: EPA's address is 1200 Pennsylvania Avenue, NW. Please enter through the William Jefferson Clinton South building. If you are coming by taxi/vehicle, you want to be dropped off on 12th Street NW, between Pennsylvania and Constitution Avenue. The entrance is almost exactly halfway between the two avenues next to the Federal Triangle Metro sign and with the Trump Hotel across the street. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your right. This is the South Lobby entrance to the William Jefferson Clinton building. If you are coming by Metro, exit at the Federal Triangle Metro station, go up the escalators and the South Lobby entrance will be on your left as you exit at the top of the escalators.

Once inside the building, security will prompt you to scan all items such as bags, coats etc.. Please let the guards know that you were instructed to call Carla Veney or Monique Patrick on 564-8040 or 564-8064 to escort you to Matt Leopold's swearing in ceremony. Security will have the visitors passes for everyone.

Allow for 10-15 minutes to get through the process.

EPA Employees: Please bring your ID to show to security at the entrance to the Green Room.

Please rsvp to Carla Veney via veney.carla@epa.gov <mailto:veney.carla@epa.gov> by Feb. 22.

Thank you!

Subject Federal Triangle - 2018 African American Heritage Month

Location Department of Commerce's auditorium (1401 Constitution Avenue NW, Washington, DC 20230) or via EPAtv

Show Time As Tentative

The 2018 African American Heritage Month celebration will take place on Tuesday, Feb. 27, 2018, from 11:00 a.m. to 12:00 p.m., in the U.S. Department of Commerce Auditorium. Keynote Speaker: Brigadier General J.R. Gorham (Ret), Army National Guard, the first black officer to be commissioned as Brigadier General of the North Carolina Army National Guard and the author of "Sharecropper's Wisdom: Growing Today's Leaders the Old Fashion Way."

The 2018 theme for African American History Month is "African Americans in Times of War." This theme commemorates the centennial of the end of the First World War in 1918, and explores the complex meanings and implications of this international struggle and its aftermath. The First World War was initially termed by many as "The Great War," "The War to End All Wars," and the war "to make the world safe for democracy." Those very concepts provide a broad, useful framework for focusing on the roles of African Americans in every American war, from the Revolutionary War era to that of the present "War Against Terrorism."

The theme suggests that contemporary conditions, past and present, give us cause for critical pause in our studies and deliberations to consider the specific and unique issues faced by African Americans in

times of war. These diverse stories reveal war's impact not only on men and women in uniform, but on the larger African American community and ultimately on our nation.

Broadcast information:

The event will be broadcast on EPAtv at 2 p.m. on Feb. 27. Please remember that EPAtv is available at http://epatv.epa.gov <http://epatv.epa.gov/> using only Internet Explorer while on the EPA network and cannot be accessed remotely.

New remote participation info below!

Join us to mark the end of a successful year of the Diversity Dialogue Group (DDG) and learn about the launch of OGC's Constructive Conversations through Dialogue (CCD), an effort to create a space for ongoing and in-depth conversations on topics important to the well-being of the OGC community.

We will be marking this transition by hosting a repeat showing of Chimamanda Ngozi Adichie's TEDTalk, The Danger of a Single Story <https://www.ted.com/talks/chimamanda_adichie_the_danger_of_a_single_story> , followed by a facilitated dialogue intended to expand upon the topics we discussed a year ago when the DDG first showed this video. This event was designed to be interesting and engaging for those who attended the Single Story event a year ago and for those who are brand new to the discussion, so all are welcome and encouraged to attend.

In-person participation is encouraged if possible, but remote access information is provided below.

We hope to see you there!

For remote participants:

Please join us on the phone at 12 (Call-in number: (b) (6) Conference ID: (b) (6) for a brief introduction and take a look at the attached document, then mute your line before using this link to watch the video on your own: The Danger of a Single Story <https://www.ted.com/talks/chimamanda_adichie_the_danger_of_a_single_story> .

Once you have completed the video, join the Skype Meeting by clicking "Join Skype Meeting" below. This portion will be the facilitated small group discussion.

To rejoin the full group for the end of the session, leave the Skype meeting and unmute you phone line (or call back in if you hung up in between).

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li.

(Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

SC Department of Alcohol and Other Drug Abuse Services (DAODAS)

SC Department of Health and Environmental Control (DHEC)

US Dept of Justice – Drug Enforcement Administration (DEA)

US Dept of Transportation – Pipeline and Hazardous Materials Safety Administration (PHMSA)

US EPA – Office of Resource Conservation and Recovery (ORCR)

US EPA – Office of Air Quality Planning and Standards (OAQPS)

– please forward to others in your groups that you would like to involve in this conversation

Background

In November 2017, SC DAODAS sent a letter (attached) to EPA asking us to consider reversing our current position so that pharmaceuticals from take-back programs could be considered "prohibited goods" and thus be burned in units that are exempt from the Clean Air Act.

Purpose of Meeting

This issue cuts across regulations from several federal agencies, including DEA, DOT and two offices in EPA. EPA would like to invite SC DAODAS and SC DHEC to meet with the relevant federal agencies to discuss the regulatory options available for managing pharmaceuticals from take-back programs.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms “mindfulness” and “meditation” hold different meanings for different people. As used here, the term “mindfulness meditation” broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Re: issues related to treaty rights and water quality

Please enter through the William Jefferson Clinton North building. If you are coming by taxi/vehicle, you want to be dropped off on 12th Street NW, between Pennsylvania and Constitution Avenue. The entrance is almost exactly halfway between the two avenues next to the Federal Triangle Metro sign and with the Trump Hotel across the street. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your right hand side with the escalators going down to the metro on your right. This is the North Lobby entrance to the William Jefferson Clinton building. If you are coming by Metro, exit at the Federal Triangle Metro station, go up the escalators and the North Lobby entrance will be on your right as you exit at the top of the escalators.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the

law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Good Day Justin,

We will be picking up your computer on April 11 between 11:30-12:00 for the HWR Pilot.

If you have any additional licenses/applications that need to be installed, please provide that information to us.

And if you have any questions or need any assistance with the Safe Move Certification, please feel free to reach out to us.

Thank you,

The HWR Team

You are receiving this email because you are scheduled to receive a new computer. This email will help you understand the Records Preservation information and provide you with steps to complete the mandatory process. Please read the Records Preservation Certification <http://intranet.epa.gov/eztech/pdf/2018-Records-Preservation.pdf> information below and complete this process prior to your scheduled appointment. Please note that you have up to two (2) days prior to your appointment to complete this step. You will not receive your new computer if this step is not completed. For specific information on what you need to do to prepare for your new computer, please refer to your calendar invitation and the EISD Hardware Refresh Quick Reference Guide <http://intranet.epa.gov/otopintr/eztech/pdf/HW-Refresh-QRG.pdf> . Your first step is to accept the meeting invitation, as we are unable to process requests to reschedule your hardware refresh time.

Records Preservation Certification. After your old computer is turned in, all information on your hard drive will be deleted and your machine will be sanitized to ensure no government information is accidentally released. Therefore, prior to returning your computer, you have a legal responsibility to ensure you have preserved certain information that is physically located on your computer's hard drive (Note: This does not include files saved to Agency servers or your network drives). You must preserve all information that is subject to a litigation hold, qualifies as a federal record, is responsive to a FOIA request, a congressional request, or is required to be preserved by you for any other reason.

In order for the Agency to ensure that it is meeting its legal obligations to preserve such information, you will be required to certify that you have appropriately saved the information prior to returning your computer.

Records Preservation Certification

Please note, this is the certification you are required to make. Please review this certification language carefully, and begin to take the necessary steps to preserve information prior to making your certification.

"I recognize that after my computer is turned in, all information on the hard drive will be deleted. Therefore, prior to returning my computer, I have a responsibility to ensure I have preserved certain information that is physically located on my computer's hard drive (note: files saved to Agency servers or network drives do not require any action on your part to preserve them during the hardware refresh).

I have an obligation to preserve certain information stored on my computer in the course of official agency business, which may be subject to preservation or production requirements under a litigation hold, the Federal Records Act, the Freedom of Information Act, congressional requests, court preservation order, or any other legal requirement. Such information may include, but is not limited to: electronic files of any type or format; text, chat, or email messages; photographs, videos, or sound recordings; and call logs and calendar entries.

Before I return my computer I will, to the best of my ability, preserve such information by transferring it to a recordkeeping system, or to a location where it will be maintained, preserved, and properly managed under applicable requirements, pending final recordkeeping disposition.

I understand once I return my computer, all information on the device will be deleted. Therefore, failure to transfer and preserve information subject to preservation or production requirements before returning the computer may result in violations of law, for which I may bear responsibility.

In order to meet these obligations, to the best of my ability, I have taken, or will take, the following steps:

* Search the computer for any files that may be records or information subject to preservation or production requirements identified above.
* Transfer all work related files to a server or other system maintained by the Agency where they will be preserved and maintained in a manner consistent with applicable requirements, using OEI's "Win 10-Safe Move" utility (use of "Win 10-Safe Move to Docs" is required for users subject to litigation holds and recommended for all users).
* Remove any portable electronic storage devices (CDs, DVDs, USBs, floppies, etc.)
* Disconnect any other devices.
* Ensure any additional files or devices are not placed on the hard drive after running Safe Move, or repeat the steps above for those new files, so no information subject to preservation or production requirements is

on the hard drive at the time it is turned in."

Then press SEND to submit it.

Below is the language you will see after clicking on the Records Preservation Certification Link.

"I certify I am in compliance with the "Records Preservation Certification." I understand that knowing or willful misrepresentation with respect to this matter may subject me to potential disciplinary action or criminal liability."

IMPORTANT: You are prohibited from deleting, adding to, or modifying this language in any way. Network administrators will be able to detect any change in language; such change will prevent you from receiving your new computer and subject you to potential disciplinary action. By clicking on the Certification Link above, opening a Records Preservation Certification email and then pressing send, you are certifying that you have taken the necessary measures listed in the Records Preservation Certification. You must click on the Certification Link to open the Records Preservation Certification email and then press send before your Hardware Refresh appointment. You will not be eligible to receive your new government-issued computer until you have clicked on the Certification Link and pressed send to submit the email.

Subject Lotus Notes CTS Demo / One OGC Docket Questions

Location Call-In Information: (b)(6) # (b)(6)

Show Time As Tentative

Greetings – as you know, OGC is using it's Correspondence Tracking System (CTS) to track certain data related to its Mission Measures. If you are a new CTS user consider joining me for this short demo of the Lotus Notes based CTS. Attached are the relevant written instructions you should have received from your management, which include directions on how to use CTS. There will also be time to ask questions about using One Docket.

Please note that ARLO is testing a replacement version of CTS that is based in SharePoint. We expect that to be ready for use by all of OGC by the end of April. We will issue revised instructions and provide additional demo opportunities at that time.

Link for CTS Demo in Adobe Connect. Please "Enter as a Guest" and put in your name.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Subject: RE: Meeting with Matt Leopold on Wednesday, April 18th at 10AM

Carla,

Good morning. The subject of the meeting is as described in my email to Matt of yesterday. As follows:

"Matt,

I'm writing about the matter that you and I briefly discussed recently on the phone. Section 41119 of H.R. 1892, the Bipartisan Budget Act of 2018, amended the Section 45Q tax credit, increasing it, extending it, and making it more flexible. It replaces the language of the existing 45Q tax credit in its entirety and replaces it with new language. The section provides tax credits for captured anthropogenic carbon, with the credit varying based on the type of project in which the carbon is used after it is captured.

The act requires the Secretary of Treasury, in consultation with the EPA, DOE, and DOI, to define "secure geological storage" by regulation. This is a requirement carried over from current law. The Treasury has never issued a regulation. However, with this expanded credit, we feel that Treasury will at least provide guidance, if not a regulation.

Because this question of "secure geological storage" includes the applicability of both air regulations and water regulations, and EPA is statutorily required by this Section 45Q to consult with the Treasury on the definition of "secure geological storage," we would like to discuss this with EPA. We appreciate you setting a meeting with us for Wednesday, April 18th, from 10-11 AM, and we hope that the appropriate Water and Air personnel can attend."

Please let me know if you need more information. Matt told me to call you and set this up, but you were out of the office for the day when I called.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms “mindfulness” and “meditation” hold different meanings for different people. As used here, the term “mindfulness meditation” broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Please share this with your FOIA folks. This will be the only notice you receive from me about this session.

This is to notify you of the next FOIAonline 3.0 walk thru. This walk-thru will be similar to the previous 2 sessions.

The session is limited to 150 folks accessing the WebEx. If you have folks that have been unable to participate, in previous session, due to access limitation issues, I suggest you have them join the WebEx a few minutes early to assure having access.

Thanks

Location 7428 | Call-in: (b)(6) code: (b)(6)

Recurrence Occurs every Monday effective 4/30/2018 until 5/21/2018 from 12:30 PM to 1:00 PM

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us

directly.)

* The terms “mindfulness” and “meditation” hold different meanings for different people. As used here, the term “mindfulness meditation” broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Hi Justin,

Matt and I wanted to come chat with you about the SHP generally and preparations that are underway for that. I also heard from Derek that the Front Office is bringing on an intern separate from the SHP process, and so we wanted to talk with you about how and whether to integrate that intern with the program more generally.

If this time doesn't work for you, it looked like there were some other times earlier on Tuesday or on Wednesday afternoon where we were all free.

Thanks,

Kaytrue

All,

Let's discuss Matt's concerns with SDNY. I've attached the email containing my preliminary analysis/recommendations. I know 30 mins might not be enough time, but this was the only time slot we all had open. Let's plan to do a Part II if needed.

Thanks,

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays

from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

All,

Putting this on your calendars, but please note the invite may be updated as needed to accommodate schedules.

FPB is located at 20 Massachusetts Ave NW. It is in a building that forms a triangle between Massachusetts and New Jersey Aves and F Street. You may attend in person or via phone. Once I receive the call-in information, I'll update the invite. Also, look out for a separate invite to account for travel time to and from (in case you want to attend in person).

I suspect this will be updated a few times, so my apologies in advance.

Thanks,

Noelle

Colleagues- For over thirty years, the first week in May has been dubbed Public Service Recognition Week – a time to recognize those who choose to serve the public at all levels of government. As a small token of thanks for all you have done for me since I joined the agency and for the public for much longer than that, I, on behalf of all of us in the Front Office and the Associates, Directors, and Deputies invite you to come to my office and enjoy some Rita's Water Ice on us. I know how hard all of you are working, but I encourage you to take even a few minutes to come down and join us – you deserve it!

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms “mindfulness” and “meditation” hold different meanings for different people. As used here, the term “mindfulness meditation” broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Subject Hold if possible for meeting with Byron when he gets back re FAST-41 & mining

Show Time As Tentative

Byron is out until 5/15, but he mentioned he had some time in the afternoon. This block seems to work for all of us at the moment, so if possible, try to hold it until I hear back from Byron (the meeting itself probably will be 30 minutes). If a meeting comes up in this timeframe, we can regroup and try to find another time.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us

directly.)

* The terms “mindfulness” and “meditation” hold different meanings for different people. As used here, the term “mindfulness meditation” broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Team –

Our first game is scheduled for this Wednesday. I am still working out exact start time with the opposing team, but likely 6:30 or 7 pm.

The weather Wednesday looks amazing! High of 81 and partly cloudy.

I propose that we depart as a group from HQ at 6 pm.

Please reply to this email with your response (attend, can't attend, or maybe), so that I can have a headcount.

* Note this field is a bit of a hike compared to prior years (see map below). On the other hand, the view should be magnificent. We may utilize Lyft or Uber, at least to haul the gear bags. It's probably a ~20 minute walk. If we leave at 6, we will not have any problem getting there in time. If you have other transportation ideas/options, let me know.

Also feel free to shoot me any questions. We won't have our t-shirts yet, so if you are waiting for a delivery, please just plan to play in a green t-

shirt if you have one (if not that is OK too).

Finally, non-clerks, please get me your $20 if you have not already!

Dan

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

CALL IN NUMBER: (b) (6) ; Conference ID: (b) (6)

The Office of Site Remediation Enforcement (OSRE) invites you to attend an event in recognition of LGBTQ+ Pride Month. We will be discussing a case currently pending before the United States Supreme Court, Masterpiece Cakeshop, Ltd., et al v. Colorado Civil Rights Commission, et al. Our presenters will provide an overview of the case, the arguments on each side, and a summary of their experience drafting an amicus brief for their clients.

Refreshments will be served.

Panel participants:

Martine Cicconi, of counsel at Akin Gump Strauss Hauer and Feld, who collaborated with the Human Rights Campaign in writing the "Brief of Chefs, Bakers, and Restaurateurs as Amici Curiae in Support of Respondents."

David Victorson, an associate at Hogan Lovells, who co-wrote the "Brief of Amici Curiae 15 Faith and Civil Rights Organizations in Support of Respondents."

The Supreme Court docket for this case can be found at Supremecourt.gov <https://www.supremecourt.gov/search.aspx?filename =/docket/docketfiles/html/public/16-111.html> . Briefs, orders and other background materials can be found at the SCOTUSblog.com <http://www.scotusblog.com/case-files/cases/masterpiece-cakeshop-ltd-v-colorado-civil-rights-commn/> .

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Tim, Ben

Are you all available for an in-person briefing of the broad NPRM this Friday June 8th from 11-12:30PM? We were thinking of inviting EOP reviewers in person and let other agencies dial in.

Are you all also available for a DOT/EPA/OIRA staff call or meeting on Monday June 11th at 12 PM? We can also meet at 1 or 2PM on Monday if 12 noon does not work.

Thanks

Chandana

Subject: Special Announcement About Thursday Morning's NCAC Plenary Session

Hi Everyone-

I am very excited to announce that the opening plenary session on the last day of the National Counselling Attorneys Conference will feature Matt Leopold, our current General Counsel, facilitating a conversation between EPA's last three General Counsels, Avi Garbow, Scott Fulton, and Roger Martella. Together, they represent the last decade of confirmed General Counsels at EPA, and span three Presidential Administrations.

Please see the details below. The event is open to all OGC employees. In addition to the Courtroom, the session will be broadcast in 7530 WJC North.

A special thank you to Karin Koslow, Andy Simons, Paul Versace, Monique Anderson, and Kendra Brown for all of their work making the NCAC possible.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Denise will be leading the charge tonight, as I can't make it. You can find the bat bag in my office and the base bag in Dan's office. The Amidon ball field is located at 4th and G St. SW. It looks like there is the potential for storms. If it rains heavily shortly before game time but then stops, I would still cancel because the Amidon field is 100% dirt and will be a complete mess. Good luck!

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the

law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Time 5:30 PM – 7:30 PM
Subject OGC Softball: Motion to Strike v Buns 'N Burners
Location Amidon Field (4th and G SW)
Show Time As Busy

Hi All –

We have a game scheduled tomorrow evening. Please let me know by reply to this invite whether you can attend. Amidon is a nice field and easily accessible by a quick Metro trip to L'Enfant Station. The game starts at 6, so we should head over from here at 5:30 pm. Let's meet in the usual place – main elevator lobby on the 7th Floor.

If you are not available tomorrow night, but ARE available Wednesday night and would play if the game time were moved, please let me know that. If we can't get a full team together tomorrow, but could on Wednesday, I may look at trying to switch to the Mall field game.

If you are going to play tomorrow, don't forget your gear coming to work!

Dan

Tamika - that time works for ORD. Our invitees are Bruce Rodan, Andy Miller, and Samantha Linkins (I'll just be listening in). Bruce and Andy won't be in DC, so if it's possible to do both a video and a phone line, that would be great.

Thanks,

Sam

Please join OGC's Pesticides and Toxic Substances Law Office (PTSLO) for a discussion of the fast-paced work that has come out of 2016 amendments to the Toxic Substances Control Act (TSCA). This talk will cover the TSCA amendments and recent rulemakings; examples of Agency actions on particular chemicals, including asbestos, lead and methylene chloride (a chemical in paint strippers used for bathtub refinishing, the use of which have led to multiple deaths); and a range of interesting legal issues that have arisen in the course of implementing the TSCA amendments.

Subject Speakers from Edison Electric Institute on recent White House initiatives to prevent coal-fired and nuclear power plants from retiring.

Location DCRoomARN6013/DC-Ariel-Rios-OGC; (b) (6), access code: (b) (6)

Show Time As Tentative

For the past year or so, a group of us in OGC-Air have been meeting once a month to discuss informally recent developments in the electric power sector – basically, this is an effort by us regulatory lawyers to try to keep up at least a little with this fast-changing field. We thought it would be interesting to start inviting outside speakers. So, for Thursday 6/28/18, we've invited Alex Bond, who is formerly with OGC-Air and currently with Edison Electric Institute (EEI), to speak to us about the recent White House initiatives to prevent coal-fired and nuclear power plants from retiring. He will bring his boss, Emily Fisher, who is the Vice President, Law & Corporate Secretary of EEI (basically, the General Counsel).

Feel free to join us, and feel free to send this to other EPA folks who you think might be interested – would appreciate it if anyone who wants to come RSVPs by accepting this invite.

Feel free to bring a brown bag. I told Alex and Emily that we're a very informal and low-key bunch. If you have other things you'd like to ask Alex and Emily about, my guess is that they'd be accommodating, but please let me know in advance and I'll give them a heads up.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms “mindfulness” and “meditation” hold different meanings for different people. As used here, the term “mindfulness meditation” broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

At today's senior staff meeting, the Deputy Administrator requested that OAR provide a briefing on the rollout of our 2018 "Air Trends" report (you can see the 2017 edition at: https://gispub.epa.gov/air/trendsreport/2017/).

Any chance there might be a free 30 minutes available on July 9 or 10? This would likely include Bill Wehrum, Mandy Gunasekara, and myself as well as members of the OAR & OPA communication teams

Intersectionality within the LGBTQ community: Perspectives shared by EPA staff

Sponsored by the OECA and OGC SEPMs for LGBTQ

and the OSRE Diversity & Inclusion committee

July 10, 2018

Noon - 1 pm

Room 6045 WJC North-South corridor

Intersectionality: the complex, cumulative way in which the effects of multiple forms of discrimination (such as racism, sexism, and classism) combine, overlap, or intersect especially in the experiences of marginalized individuals or groups. (Merriam Webster Dictionary)

People experience the world differently based on their overlapping identities and lived experience. Intersectionality relates to the interactions of multiple identities. All identities interact toward privilege or oppression and include race, sexual orientation, gender expression and identity, religion, class, (dis)ability and more.

It is important to recognize that some members of the LGBTQ community experience multiple marginalized identities all at once, beyond just their gender identity and sexual orientation. There are different kinds of intersectional exclusions, and the way we see disempowerment is more complicated for people who are subject to multiple forms of exclusion.

In this session we will hear from members of the EPA LGBTQ community addressing the identities that matter most to them and how they interact by sharing an experience that demonstrates how those identities intersect.

Mindfulness meditation* is a practice that can help us to manage stress,

improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

CCILO invites you to a brownbag discussion concerning the use of severability clauses in agency rules. Summer Law Clerk Elizabeth Platt will lead the discussion. ATTACHMENTS: ACUS Report (FYI), Law Review article (FYI), Slides (for use during the Brownbag) & ACUS recommendation (very short, might be interesting).

In recent years, agencies have started using severability clauses in rulemaking. Customarily, when an agency uses a severability clause, it signals to a reviewing court that it believes portions of a rule could remain viable if the court strikes down other portions.

During the Administrative Conference of the United States' (ACUS) recent plenary session, the Conference passed a recommendation encouraging federal agencies to consider using severability clauses when appropriate in their rules and to invite public comment on any severability provisions they consider adopting. To inform its recommendation, ACUS commissioned and published a report authored by Charles Tyler and Donald Elliott. Some of us remember when Don served as EPA's General Counsel from 1989 to 1991. The report and Don's recent article in The Yale Law Journal on the same topic even talk about EPA in relation to severability clauses. Both the ACUS report and the article are attached. (We will add the ACUS recommendation as soon as it's available.) According to the ACUS report, EPA is the second-most active user of severability clauses within the federal government.

Elizabeth will provide a short overview of severability clauses and ACUS's recommendation. Following the overview, she will lead us in a discussion of EPA's past use of severability clauses. We invite you to learn from your colleagues, share your experiences and discuss how courts treat severability clauses.

Elizabeth has assembled a great list of questions to prompt discussion. Here are a few:

* What types of rules are best suited for severability clauses?
* What was your office's experience with a severability cause? How would you advise client offices concerning this issue?
* How did you figure out which provisions could/should survive if another provision is found unlawful?
* Do you think including a severability clause indicates weakness in the agency's position in litigation?

* How should EPA handle severability in the context of litigation? Should we brief it only if asked or propose possible remedies in our opening brief?

If you have any further questions concerning the event or the background materials, please contact Elizabeth Platt at platt.elizabeth@epa.gov <mailto:platt.elizabeth@epa.gov> or 202-564-9087.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Justin-- Bill will be in Ann Arbor for the day tomorrow. The afternoon will mostly be taken up with a site visit to Toyota but there will be two meetings in the morning—one on gliders and one on responding to a petition from AFPM for waiver of RFS standards. I am creating this invite in case you would like to participate in the gliders meeting because Bill's office will not be sending out a scheduler.

Location 7428 | Call-in: (b) (6) code: (b) (6)

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term

commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Hello OGC,

Time has flown by and it is almost time to say good bye and thank you to the clerks who spent the summer with us. Let's send them off to their last year of law school with a celebratory happy hour!

Thanks to many of your generous donations earlier in the summer, we have some of the funds we need but are still a little short! If you didn't get a chance to donate the first time around or are interested in contributing again, Caitlin (in 7426JJ) and I (in 7502A) will be collecting donations. Donations of baked goods are also very welcome.

Help us thank our clerks for a fantastic summer!

Allison

Folks, this game is HAPPENING! The weather looks good, the other team is ready. It's our last week with the clerks. If you are still on the fence, please join us – we need a couple more players for a full team!

Clerks – this game does NOT conflict with your happy hour – it is rather an extension of the festivities.

Meet at the main elevators on the 7th floor at 6:30 sharp for the walk over to NPS Field 8.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Location 7428 | Call-in: (b) (6) code: (b) (6)
Recurrence Occurs every Monday effective 8/6/2018 until 8/27/2018 from 12:30 PM to 1:00 PM

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join

your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join

your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Denise Walker, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms “mindfulness” and “meditation” hold different meanings for different people. As used here, the term “mindfulness meditation” broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

The Office of Customer Advocacy, Policy, and Portfolio Management

(OCAPPM) is excited to announce the next round of Information Technology/Information Management (IT/IM) Town Hall Meetings. OCAPPM's approach for this round of IT/IM Town Halls will be to hold five (5) Topic-Based feedback meetings open to all EPA Employees. They selected 5 topics based on their analysis from the Customer Experience (CX) Action Tracker and the CX OEI survey. These topic areas include Software, Services, SharePoint, Network and Records Management. While they recognize these are broad, they will address the top issues under each category.

The Town Halls are different from the previous round in that you will hear report outs on previous issues from OEI Subject Matter Experts. These sessions are for follow-up announcements or new information.

The first of five meetings will focus on "Software Update Issues" and is scheduled for Thursday, August 30th at 10:30am -noon.

· Software Update Issues:

· Status of Software License Management Tool – OCAPPM/OITO (Greg Zurla and Willie Abney)

· Discussion on the future direction of desktops- OITO (Greg Zurla)

· Changes to MSO365 and the Microsoft Office365 Advisory Board (Video, Forms, Flow, Teams, Planner, etc) – OITO (Fisseha Kefle)
