Hi all,

Due to a meeting Kevin has with the Acting Administrator, we are shifting this to 9:30-10:30.

The Front Office would like to invite you to a Welcome February Breakfast in the General Counsel's office. Bring your own mug of juice, coffee or tea and we will supply bagels and breakfast treats. We encourage anyone who has a breakfast specialty they'd like to bring along to share with the office to do so.

Looking forward to seeing everyone!

Sorry about the cancellation of the meeting with the Administrator this morning. Today will be the last "Beachhead team" meeting per se. We

are no longer going to refer to ourselves as Beachhead team as we are adding new folks every week. The "Trump Administration Team" meetings will go to twice a week after today (Tuesday and Thursday at 4:00pm). I have invited Samantha Dravis and Ryan Jackson, the two newest members of the new administration, to join us.

Please organize your schedule appropriately as this meeting is mandatory. Please bring your 2 minute elevator speech for Mr. Pruitt so your colleagues can critique it.

Subject: 2017 OGC Diversity Dialogue Group Debut Event -

Good morning everyone,

Often when we look at people, we have either no thoughts about their daily lives or we press upon their visage the stories that we hear on the news or read in books, never giving thought to the complexities within our own lives that surely must exist in others. In that there is a danger, first of being biased or treating someone unfairly but also of losing an opportunity to find commonality.

This year's OGC Diversity Dialogue Group wants to cultivate our diverse community by providing opportunities to learn something new about ourselves and our colleagues. The 2017 DDG is well underway planning several engaging activities and events that reflect many of our core values – including community and respect. There will be something for everyone – a variety of events to connect more with your colleagues and the communities we serve, better understand the importance of our diversity, and definitely enjoy yourself along the way!

Please plan to join us at 12:00 pm on Wednesday, March 1, 2017 for our debut event, where we will screen a TED Talk, The Danger of a Single Story, which focuses on the danger of viewing people through a narrow lens, followed by a facilitated discussion on how this affects us not only in the workplace but in our daily lives. You will also have the opportunity to meet the DDG members, share your ideas for events, and enjoy a treat or two! A calendar invite, including remote access information, will follow shortly.

If you have any questions, feel free to contact any DDG member (member list attached). We look forward to seeing you on the 1st.

At the end of last year, the General Counsel signed the new OGC Pro Bono Policy, but many of us have been left wondering how we can get involved in pro bono work, and how to navigate the Office's policy. In addition, those among us who are not attorneys may be unsure whether pro bono work is a viable option for serving our community. This month, please join the Diversity Dialogue Group on Tuesday, March 21 for a brown bag discussion of the pro bono opportunities available to both attorneys and professional staff in OGC.

Over the lunch hour, we will hear from our very own Jennifer Wills and Jeanne Duross. Our presenters will provide more information about the OGC Pro Bono Policy, specific pro bono opportunities and how to get involved, as well as the ethics approval process required to participate.

Pro bono work provides the opportunity for OGC to connect with one another and serve our diverse local community in a unique capacity. We hope you'll join us to learn more about how you can get involved in this important work, and have fun working alongside your colleagues to help others!

Light refreshments (aka cookies) will be provided. If you have any questions, please feel free to contact Lakeya Brantley.

Event agenda:

1. Information about the Federal Pro Bono Program (Jennifer Wills, Interim OGC Pro Bono Coordinator) 15-20 mins

a. Saturday Referral and Advice Clinics
b. D.C. Bar Pro Bono Advocacy & Justice Clinic
c. Opportunities for Professional Staff to assist

2. Overview of the OGC Pro Bono Policy (Jennifer Wills) 15 mins
3. Ethics Approval Process (Jeanne Duross, Deputy Ethics Official) 15 mins
4. Pro Bono Experiences (Guests, time-permitting) and Questions

Subject: FW: Meeting Request with Administrator Pruitt Before March 20, 2017 - City of Taunton/Taunton Estuary Municipal Coalition
Importance: High

Good morning Mr. Jackson, we have made several attempts to get on Administrator Pruitt's calendar this month for a time-sensitive meeting. Today, Michelle Hale advised us to discuss this meeting request with you. Attached, are the documents and email trail, referenced in my discussion with your assistant, Sharnette Willis, pertaining to our meeting request.

The email trail below includes John Hall's email to Senator Benton (dated March 8th), confirmation of receipt of my email to Michelle Hale (dated March 7th), my email to Michelle, per her instruction, with details regarding the purpose of the meeting (dated March 6th), and the final email John sent to Administrator Pruitt with the first initial request for a

meeting (dated February 13th).

Should you have any further questions relating to this meeting request, please do not hesitate to call. Thank you.

Subject: FW: Meeting Request with Administrator Pruitt Before March 20, 2017 - City of Taunton/Taunton Estuary Municipal Coalition
Importance: High

Dear Senator Benton

Senior White House Advisor

Office of the Administrator

As you can see we have been coordinating with Michelle to set up a meeting with Administrator Pruitt. Your help in making sure this meeting is arranged would be most appreciated by the municipal coalition.

We understand that Governor Baker's office and Congressman Kennedy have supported the Coalition's request.

Moving to a peer review would enable all litigation on the matter to be put in abeyance and let the science drive the decision. That is a win-win for everyone.

Our March 20th target date was suggested based on filing deadlines – however, any time prior March 24th would work also.

Thanks

John Hall

Subject: Meeting Request with Administrator Pruitt Before March 20, 2017 - City of Taunton/Taunton Estuary Municipal Coalition
Importance: High

Hi Michelle, it was so good to talk with you this morning. As promised, I've listed the details below, in regards to John's meeting request with Administrator Pruitt. Note, Due to litigation deadlines, this meeting will need to take place before March 20th. As always, thank you for your assistance.

WHO: City of Taunton/ Taunton Estuary Municipal Coalition

SUPPORTED BY: Congressman Kennedy; Governor Baker

TIME REQURED FOR DISCUSSION: 30 minutes

TOPIC: Stringent Nitrogen Limits Imposed on Cities using Highly Questionable Procedures That Have Never Been Peer Reviewed and Which by Three Nationally Recognized Experts Concluded Are Not Scientifically Defensible.

COST IMPACTS: Hundreds of Millions

REQUESTED ACTION: Stay ongoing litigation for settlement discussion; refer matter to independent peer review

DESCRIPTION OF PROBLEM:

The City of Taunton is requesting that their permit challenge pending before the 1st Circuit be put in abeyance, to allow settlement discussion of the issues with EPA to occur. As noted in the attached correspondence from the Taunton Estuary Municipal Coalition, EPA's permitting action directly conflicted with the accepted, peer reviewed scientific methods for evaluating nutrient effects and failed to follow the "rule of law". In particular, the extreme nitrogen reduction mandate and other limits imposed on these economically depressed cities are a result of an

environmental agenda to regulate more restrictively, regardless of the facts. That group of impacted municipal entities is requesting that EPA's approach be subjected to an independent peer review to assess its technical validity.

The Coalition is confident that a frank discussion of the events that transpired and a fair review of the science and regulatory requirements applicable to such cases would result in an agreement that this permit action needs to be withdrawn and reconsidered. If the Agency would inform the Justice Department and the City that the Agency is agreeable to putting the matter in abeyance, pending settlement discussions (e.g., alternative dispute resolution), the appropriate motion could be filed with the 1st Circuit. Such action would allow the City's limited resources to be directed at a productive resolution of the matter.

Importance: High

Dear Administrator Pruitt:

Attached please find a letter from the Taunton Estuary Municipal Coalition requesting that the Agency reconsider, under the alternative dispute resolution process and independent peer review, the need for the stringent "state of the art" nitrogen limitations that EPA Region I has imposed on the City of Taunton (and is planning to further impose on other nearby communities). (Attachments). In October 2016, the City of Taunton was forced to file a Circuit Court appeal regarding the stringent nitrogen limitations, as well as other limitations that the City contends were beyond EPA's statutory authority (e.g., flow limits). That permit appeal action is presently pending before the 1St Circuit Court of Appeals. As explained in the attached letter from the Municipal Coalition, EPA's action ignored the finding of three nationally recognized experts who all uniformly concluded that the agency's "technical" approach (sentinel method) used to create the stringent nitrogen limitations was fundamentally flawed and would not result in meaningful ecological improvement in the Taunton Estuary. EPA Headquarters also refused to conduct a "peer review" of the Region's unproven sentinel method (Attachment 2) , even after acknowledging, under FOIA, that it possessed no records showing that the new methodology used to set the limits was scientifically defensible (Attachment 1 and 1a) and the lead researcher for the Taunton Estuary informed the Region that his data were being misapplied in deriving the stringent limits. (Attachment 3).

The City of Taunton and the Municipal Coalition believe this is precisely the type of arbitrary regulatory action that the Trump Administration has committed to address to avoid wasting local resources. Regarding the ongoing litigation, in December 2016, EPA informed the 1st Circuit Mediation official - Hon. Patrick J. King (ret.), that EPA would not participate in any form of alternative dispute resolution. It would be greatly appreciated if you would inform the City whether the new Administration would reconsider that position. If so, appropriate filings with the 1st Circuit could occur to place the case in abeyance, pending such dispute resolution discussions.

The Municipal Coalition (and Center for Regulatory Reasonableness) would also look forward to participating in an independent peer review

that could evaluate the reasonableness of using Region I's unproven methodology in future permit actions. If such an independent peer review confirms that the Region's novel approach, as applied, is scientifically defensible, the communities would support further nutrient reduction expenditures, knowing that those resources are well spent.

Thank you for your consideration of these requests.

Can you find a time for me, Sarah Greenwalt, Justin Schwab, Al McGartland, and William Nickerson to meet tomorrow?

Subject: Waters of the US activity

Hi Samantha.

As promised, last Friday, the Office of Water provided a short description of the analysis they would do for the WOTUS rulemaking. Unfortunately it was not adequate. Most important and contrary to what they told us earlier in the week, the paper said that the Army Corps data and data analysis would not be available for the Economic Analysis. I quickly asked Mindy Eisenberg (OW) to schedule a call with the Army Corps to discuss this and more.

We had the long phone call with the Army Corp and OW on Friday afternoon. The meeting started off badly – the Army Corps confirmed that they could not go through their jurisdictional database and assess how all the decisions would have changed if a Scalia Test were in place. This was terrible news, since we need that data to drive our economic analysis. Rather, OW and the Army Corps suggested we do a “qualitative”

analysis. Hence we would not have any quantitative estimates of cost savings for doing this rule and we would not comply with current OMB requirements.

I launched into a little speech -- EPA cannot take one of the most important rulemakings of this Administration to OMB with just qualitative analysis and asked everyone to think of alternative ways to quantify cost savings. We came up an approach that would be based on the summary data of the Army Corps, combined with the U.S. Geological Survey data on water types across the country. I believe this approach should be acceptable to OMB. OW is writing up the methodology and we should have a 2 pager by Monday COB.

I am sorry for this short setback. It is clear to me that we will need to stay on top of this on a near daily basis if this is going to keep to the schedule.

I think I mentioned I assigned this to two of my best people. One of them, Matt Massey, was on the phone with me.

Briefing for Sarah Greenwalt.

Background: The Final Steam Electric Effluent Limitations Guideline (ELG) Rule was signed on September 30, 2015 and published in the Federal

Register on November 3 of that year. The Rule updates the nationally-applicable technology-based regulations under the Clean Water Act for the steam electric power generating industry, which were last revised 35 years ago, to limit the amount of toxic metals (e.g., mercury, arsenic, selenium, lead), as well as nutrients, discharged into waterways. The 2015 ELG Rule is based on technologies, which are already in use in the industry, are effective for treating or eliminating toxic pollutant and nutrient discharges to surface waters, and are affordable for the industry as a whole.

Subject DDG Presents Connecting with Others: A Workshop on Cultivating Empathy

Location DCRoomWJCS 6045; Conf. line [redacted] code (b)(6) [redacted]

Attachments Empathy Workshop DDG Apr 2017 participant version.ppt

Show Time As Tentative

We live in a diverse world, but we often struggle to understand and connect with those who are different from us. Empathy can help us bridge those divides by offering a way to draw on our own experiences and deeply contemplate the experiences of others. In this interactive workshop, we will learn about empathy's potential benefits and pitfalls, and the role of stories in building empathy. Through film clips and discussion, we will evaluate stories in films that are designed to induce empathy. You will leave the workshop with ideas for growing your empathic capacity, and a voluntary assignment to put your ideas into practice.

Gina Cerasani in ADRLO will present the workshop. Slides and handouts will be provided in advance.

You will get the greatest benefit from the workshop if you attend in person. However, if you are participating remotely, please call the number above and join via Abode Connect to see the presentation and the film clips:

https://epawebconferencing.acms.com/cerasanigina/

Light refreshments will be provided. If you have any questions, please feel free to contact Gina at (b)(6) or cerasani.gina@epa.gov <mailto:cerasani.gina@epa.gov> .

Workshop agenda

Cultivating empathy (15 minutes)

- What is situational empathy?

- The role of stories in building situational empathy (films, literature, radio, etc.)

- Cautionary note: who is telling the story? for what purpose?

Assess stories in films that cultivate empathy (35 minutes)

- View film clips from films that tell stories designed to induce empathy

- Discuss clips; consider differences in responses and reflect on possible reasons for those differences

Closing (10 minutes)

- Consider other ways to access stories that help to build empathy across differences

- Reminder of questions to ask to encourage critical reflection of such stories

- Voluntary assignment

She has taught undergraduate and graduate courses in community conflict resolution and conflict resolution practice, including negotiation and mediation. She has 10 years of experience facilitating community dialogues and workshops to address various conflicts, and she has conducted extensive research on empathy, which was the subject of her doctoral dissertation.

Subject Understanding 2:1 Regulatory Executive Order -- DC Bar Webinar
Location 7530 WJC
Show Time As Tentative

The DC Bar is hosting a panel discussion entitled "Understanding the Trump Administration's 2-for-1 Regulatory Policy." CCILO has arranged for Webinar access to the Panel discussion. Former General Counsel Scott Fulton moderates the panel, features people familiar to many of us. See below. This should be very interesting. I hope you can join us.

Here's the DC Bar summary: "On January 30, President Trump issued an Executive Order on Reducing Regulation and Controlling Regulatory Costs. Pursuant to that order, executive agencies must identify two regulations to be repealed for every new regulation proposed. Our panel will discuss the implications of this executive order and other related orders and guidance on agencies and the rulemaking process, and will provide perspectives on the outlook for future rulemaking."

Background:

By May 15, EPA must submit a plan to the Federal Court that describes how we will comply with the Judge's order to comply with Section 321 of the Clean Air Act. The court order requires EPA to complete a major study of the electric power and coal mining sectors by July 1. And by the end of the calendar year, we need to submit evidence that we are instituting an Economic Dislocation Early Warning System -- aimed at identifying facilities threatened to close as a result of environmental regulation (covering the whole economy).

At this meeting, the contents of a proposed plan will be presented to insure that senior leaders are comfortable with the approach outlined. This will commit significant resources. (b)(5) DPP and ACC

Subject OGC Mindfulness Meditation

Location WJN 6013 | Call-in: (b)(6) code (b)(6)

Recurrence Occurs every Tuesday effective 4/18/2017 until 5/16/2017 from 12:30 PM to 1:00 PM

Show Time As Tentative

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Tuesdays from 12:30-1:00 pm (note that time may change to accommodate other office-wide events). All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Adam Wilson, Denise Walker, Kimberly Jones, Mahri Monson, and Ryland Li.

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Hi Everyone- The last 24-48 hours has seen a lot of information going around regarding potential early retirement and/or early separation offers (also known as VERA/VSIP or Voluntary Early Retirement Authority/Voluntary Separation Incentive Payment) at EPA. I wanted to give folks a quick update on that issue and give you a chance to ask questions. I am setting this up for 30 minutes so that I can get it on the calendar today, but I am happy to set up a time to talk further next week if people would like. Thanks, Kevin

Subject OGC Brown Bag: EPA's Scientific Integrity Policy

Location DCRoomWJCN 4045; Conf. line (b)(6) code (b)(6)

Show Time As Tentative

This year, EPA's Scientific Integrity Policy celebrated its fifth anniversary. The Scientific Integrity Policy, which applies to all of us, strives for "transparent and objective science." Please join us on Thursday, April 20 for this month's OGC Brown Bag, hosted by the Cross-Cutting Issues Law Office (CCILO), as we hear from EPA's Scientific Integrity Official, Francesca Grifo. Ms. Grifo will present an overview of the Scientific Integrity Policy and lead us in a discussion. When Ms. Grifo led a similar

brown bag discussion here a few years ago, participants had many insightful questions and observations. Please join us for what promises to be an interesting discussion again this year!

Show Time As Tentative

Somehow, we managed to let our Acting Deputy Administrator's birthday pass by without recognition. To make up for it, please come down to the Deputy's office at 12:30 today to sing the birthday song for the sake of Mike's embarrassment, and let's all eat a cookie together.

AND Shhhhhhhh! Keep it quiet. He told me he didn't want me to do anything, but I know he was lying.

PS: Please forward if you see someone's name missing.

Hi Evelyn- Thank you for inviting me and OGC to participate in your spring meeting – we will be happy to do so! I have cc'd Rich (who is out of the country today but will be back on Monday) to help work through the details, but my first thought is that it might be good to have both me and either Justin Schwab or David Fotouhi, both of whom are now Deputy General Counsels with our office as part of the new administration, participate. That way your members can hear both the commitment to engagement from the senior career leadership and the policy direction from the senior political appointees in our office. If that sounds good, we can work to set that up.

Have a great weekend. Kevin

Subject: RE: Spring Meeting with AAR [WARNING: DKIM validation failed]

Hi Kevin,

The railroad environmental attorneys are holding their spring meeting on April 21st in the afternoon, mostly by phone, though some may venture to D.C. I wanted to see someone from your office might be available to give a 20 minute or so presentation via phone (or in-person at AAR, D.C.). This could be as general as you would like. It might be good for the railroad lawyers to hear a bit about EPA priorities and streamlining working together, etc. At some point in the near future, AAR staff would like to talk through our specific concerns, but we will set up a meeting in the future to do that. The spring meeting is more general.

Please let me know if you or someone over there is available.

Thanks,

Evelyn

Please join the Diversity Dialogue Group for our second guided mindfulness practice, back by popular demand. In this session, OGC's Denise Walker will guide us as we practice maintaining awareness of our present environment while taking a gentle, more detailed look at the different experiences that we carry with us. Check out this article on the benefits of mindfulness in the NY Times <http://www.nytimes.com/2012/12/16/opinion/sunday/ the-power-of-

concentration.html> .

No prior mindfulness or meditation experience is necessary; if you are interested, come check it out! The room will be open starting at 12:00 and practice will begin at 12:15.

If you have questions, please contact Denise Walker, Ryland Li, Mahri Monson, or Kimberly Jones.

Request: I am writing today on behalf of Northwest Public Power Association (NWPPA)'s Executive Director Anita Decker. Anita will be in Washington D, C. from Washington state on April 25-26, 2017. She would like to meet with Administrator Pruitt, you or other political appointees who are assigned to work on electric utility issues of interest to NWPPA.

NWPPA is an electric utility association in the Pacific Northwest representing 151 hydroelectric, nuclear power and natural gas electric utilities (municipal and electric coops) affected by EPA regulations including some that are going to be revisited under recent Executive Orders. Their membership involves many electric utilities (municipal and coop) that would be affected by EPA regulations across several states in the Northwest—not just those in Washington state. NWPPA's member utilities serve 20 million customers making it one of the largest electric utility organizations in the western part of the United States.

They are interested in the following:

* Waters of the US – next steps (realizing it has been addressed in the Executive Order)
* Clean Power Plan review and replacement (they are aware of the Executive Order action last week)
* General EPA priorities related to the electric power sector

A link to the NWPPA organization is https://www.nwppa.org/about-nwppa/ <https://www.nwppa.org/about-nwppa/> and board information at https://www.nwppa.org/about-nwppa/nwppa-board-of-trustees/ <https://www.nwppa.org/about-nwppa/nwppa-board-of-

The Agency has the legal authority to approve this pathway but continues to request information immaterial to approval. Meeting proposal: ENERGY STAR is moving a specification on clothes washers, which we oppose. It is critical that I ensure you are aware of what is going on and hopefully stop this action until we can talk in more detail. While this is an urgent matter, it is also very important to discuss the ENERGY STAR program broadly. At a high level, we support its moving back to DOE for our products and have discussed this with the DOE beachhead team. We have CEOs and other senior executives from the entire industry meeting in DC for our Annual Meeting from April 29-May 2. It would be very helpful if we could discuss our issues with you before that. Any time from Tuesday, April 25, to Friday, April 28 would be ideal.

Discussion Topics:

SNAP Rule Allowing Isobutane (EPA-HQ-OAR-2009-0286) & Rule 21 (bans HFCs for refrigerators in 2021)
Microfibers (Trash-Free Waters)

Material Management/Landfill Diversion/Food Waste Disposers

Location WJN 6013 | Call-in: (b)(6) code (b)(6)

Recurrence Occurs every Tuesday effective 4/18/2017 until 5/16/2017 from 12:30 PM to 1:00 PM

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Tuesdays from 12:30-1:00 pm (note that time may change to accommodate other office-wide events). All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Adam Wilson, Denise Walker, Kimberly Jones, Mahri Monson, and Ryland Li.

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Subject Louisiana RVP Letter

Location CONF CALL (b)(6) CODE (b)(6)

Attachments (b)(5) DPP and ACC

Show Time As Busy

I will open the call 5 minutes early.

I have attached three documents

1. Letter from LDEQ Sec Chuck Carr Brown to ADM Pruitt on 10 Apr 2017

2. Response with Region 6 edits

3. Response w/o Region 6 edits

4. A briefing paper prepared by OAR/Region 6/OECA for Samantha Dravis on April 18th. It lays out what we viewed as a positive path forward.

5. The Agency's long-standing policy on the use of "no action assurances."

Note from Sam Coleman

(b)(5) DPP and ACC

(b)(5) DPP and ACC [redacted] I have been in contact with Dr Brown, and have attached his concerns in the form of the two text messages below:

Two texts from Chuck Car Brown.

(1/2) I like version 2 best. Can the following sentence be added as the last line in the second to last paragraph?

While this course of action is being executed, the RVP requirement for all 16 parishes can remain at remain at 9.0 .

(2/2) Thanks. Just need a little more clarity regarding what the refiners need to do immediately. We can always take what was written and take the lead as the State and direct the refiners but would opt for more clarity. Great hanging out today.

Hello OGC:

Anyone connecting to the OGC ALL Hands via Adobe Connect (link below) should not call into the 866 audio conference call in number to avoid sound feedback problems.

We would like to be able to see our remote and teleworking OGC staff on the screen via Adobe Connect, so please turn on your video-cameras for this meeting.

http://epawebconferencing.acms.com/ogcallhands0504 2017/
<http://epawebconferencing.acms.com/ogcallhands050 42017/>

OGC Colleagues: The Quarterly All Hands meeting will not be in room 1153 WJC East due to the unavailability of video-teleconference or data connections there due to the renovations of the room. However, we will stick to the May 4 date to give our invited guests time to prepare and certainty on all of our calendars.

We look forward to introducing our new Deputy General Counsels, as well as, other members of the Administrator's Office team. Also, remember if you have any questions you would like addressed by the OGC management team, but are uncomfortable raising them publicly, you should feel free to place them in the OGC suggestion box located in the 7th Floor large pantry. Thank you.

Regions: Please inform RTP on which room you will be using if connecting via video. Thank you.

Subject Summer Law Clerks Welcome Happy Hour
Location Kevin's office - WJCN/S 4000
Show Time As Tentative

REMINDER! We'll have plenty of delicious treats and drinks, so please stop by this afternoon and say hello to our new law clerks!

****

Please help us welcome this year's outstanding OGC Summer Honors Program law clerks! Join us for drinks and snacks in Kevin's office, and introduce yourself to this year's clerks.

As always, we are accepting donations to help the SHP law clerks have an amazing summer and fund events like these. If you'd like to donate, please stop by to see Allison Hoppe in 7353E (CRFLO bay) or Caitlin Downs in 7426JJ (the zone). We also welcome in-kind donations from our talented bakers that would like to provide snacks to accompany the beer, wine and soda. Please let us know if you fall into the latter category.

David - I think we're all set for 3 pm on Thurs. I will be joined by 3 Erics (Grant, Hostetler and Feigin), Brandon, and Jack Lipshultz. I don't know if Jeff can join but I think we have enough for a quorum.

Can you send out a mtg notice with the room number.

Thanks. See you then.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on alternating Mondays and Tuesdays from 12:30-1:00 pm (note that time may change to accommodate other office-wide events). All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Adam Wilson, Denise Walker, Kimberly Jones, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

All – The Seventh Circuit has scheduled oral argument in the above matter for Tuesday, May 30. By way of refresher, this is the case where the court asked for supplemental briefs on the CAA Section 307(b) jurisdictional/venue issue raised in our pending motion to dismiss. We argue this petition is part of a "national" case and belongs in the D.C. Circuit. We are planning a moot court for 2 pm on Tuesday, May 23. Dustin will distribute copies of the briefs about a week in advance.

Subject DC Bar: Chevron Deference in the Circuit Courts

Location WJCN 2530

Show Time As Tentative

Please join CCILO for this interesting event sponsored by the DC Bar. We

have arranged for a video link to a talk by Professor Chris Walker about Chevron deference in the Courts of Appeals. Here's a description:

Professor Chris Walker recently co-authored the most comprehensive empirical study to date on how appellate courts have applied Chevron deference. In this brownbag presentation Professor Walker will discuss what his study reveals about how the circuit courts actually use Chevron and how the Chevron framework affects outcomes. He will go on to consider how the proposed legislation or judicial intervention to undo the Chevron framework could impact the role of deference in the courts in the future.

Subject OGC Mindfulness
Location WJN 7530 | Call-in: (b)(6) code (b)(6)
Show Time As Tentative

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on alternating Mondays and Tuesdays from 12:30-1:00 pm (note that time may change to accommodate other office-wide events). All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Adam Wilson, Denise Walker, Kimberly Jones, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Justin – this meeting may have already been forwarded to you, so apologies if it's a duplicate.

I believe this OW overview briefing was originally to brief Sara Greenwalt. It looks as though Byron Brown and Ryan Jackson have also been included in the meeting invite.

David is on the invitation, however because this also involves tribal issues, CCILO will participate as well – and if you are able to attend, please do.

Thanks,

Karin

David,

See Maysonett's email back to me below. Here's what he says:

"I think it was a generic schedule entered without any detailed thought by the Clerk's office. Having more time would be useful, but there's a tension between that and the urgency we spelled out in our motion to stay. We're also likely to seek expedited review here (to protect EPA's resources), so we don't want to take any more time than we need."

Seems like DOJ's pressing on to file on Monday unless we tell them to seek clarification from the court as to which schedule controls.

Well, the good news is that the Court granted our motion for a deferred appendix. The bad news is that they also reset the entire briefing schedule and now our brief is due in July. Walking directions to Virginia Highlands Park from the Pentagon City metro:

After exiting the fare gates, the metro corridor will come to a "T." Turn left, toward the mall (Fashion Center at Pentagon City).

Exit the metro via the escalator on the left. Do not go into the mall.

You will come out on South Hayes Street.

Walk south on S. Hayes Street until you come to the intersection of S. Hayes and S. 15th Street.

Cross through the intersection, then take a right on S. 15th Street. You will see a soccer field on your left as you walk down S. 15th Street.

As you walk down S. 15th Street, you'll see a sidewalk/ramp/steps on your left just past the soccer field.

Come up the sidewalk. You'll see an area with trees and a few grills, as well as a playground.

The picnic shelter is in this area. When in doubt, follow the smell of grilling food!

> Dear Conference Members:
>
> As previously announced, the 67th Plenary Session will be held on Friday, June 16, from 10:00 a.m. to 2:00 p.m., at the Constitution Center (400 7th Street, SW, Washington, DC). If you have not already done so, please RSVP on our plenary session webpage (click here<https://www.acus.gov/meetings-and-events/plenary-meeting/67th-plenary-session>).
>
> Agenda and Recommendations
>
> The agenda is attached and available on our website. It includes two proposed recommendations:
>
> • Adjudication Materials on Agency Websites (click here <https://www.acus.gov/sites/default/files/documents/Adjudication%20Materials%20Recommendation%20for%20Plenary%20-%20clean%20version.pdf>)
> • Negotiated Rulemaking (click here<https://www.acus.gov/sites/default/files/documents/Negotiated%20Rulemaking%20Recommendation%20for%20Plenary_cleanline.pdf>)
>
> (The Council has decided not to place a third proposed recommendation, Marketable Permits, on the agenda, for reasons that will be explained at the plenary session.)
>
> We encourage the pre-submission of amendments by members. We will prepare, circulate, and post on our website a document containing such amendments. Please submit any amendments by 10:00 am EST on Monday, June 12, to info@acus.gov<mailto:info@acus.gov <mailto:info@acus.gov%3cmailto:info@acus.gov> >.

> Ethics and Financial Disclosure
>
> Non-government members are no longer required to submit a financial disclosure form; however, all members (government and non-government, voting and non-voting) are still subject to the conflict of interest requirements outlined in ACUS's bylaws. That is, all members must make the Vice Chairman aware of any conflicts of interest that may require disqualification from participating in the plenary session under 18 U.S.C. § 208 (acts affecting a personal financial interest). We recognize that such conflicts will be rare because ACUS only considers procedural issues; however, we ask that you remain attentive to the possibility of conflicts. As an additional reminder, ACUS members who are federal employees are subject to the Standards of Ethical Conduct for Employees of the Executive Branch, and non-government members (who are deemed Special Government Employees) are subject to ethical standards as well (see attachment). Please contact Shawne McGibbon, who serves as the agency's General Counsel and Designated Agency Ethics Official, if you have questions, smcgibbon@acus.gov<mailto:smcgibbon@acus.gov <mailto:smcgibbon@acus.gov%3cmailto:smcgibbon@acus .gov> > or 202-480-2088.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on alternating Mondays and Tuesdays from 12:30-1:00 pm (note that time may change to accommodate other office-wide events). All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the

recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Adam Wilson, Denise Walker, Kimberly Jones, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Please join Gina Cerasani for a discussion on: "Engaging Constructively in Difficult Conversations."

Some kinds of conversations will always be challenging, but we can approach them in ways that will lead to better outcomes. In this course participants will learn the unique challenges of different types of difficult conversations, techniques to help prepare for those conversations, and tips for managing a conversation that unexpectedly becomes difficult.

If you have any questions, please feel free to contact Gina at 202-564-0838 or cerasani.gina@epa.gov <mailto:cerasani.gina@epa.gov> or me.

Gina Cerasani, Ph.D. is a Conflict Resolution Specialist in EPA's Conflict Prevention and Resolution Center (CPRC)/Alternative Dispute Resolution Law Office (ADRLO). She works with the Superfund and Title VI programs, offering convening, advising, coaching, and facilitation services, and she serves as CPRC's training coordinator. Prior to joining CPRC, Gina worked as a scholar and practitioner at George Mason University's (GMU) School for Conflict Analysis and Resolution. She has taught undergraduate and graduate courses in community conflict resolution and conflict resolution practice, including negotiation and mediation. She has 10 years of experience facilitating community dialogues and workshops to address various conflicts, and she has conducted extensive research on empathy, which was the subject of her doctoral dissertation.

Location DCRoomARN4304/DC-Ariel-Rios-OGC
Show Time As Tentative

OGC,

Please feel free to join us as we celebrate LGBTQ+ Pride Month for an already scheduled EPA-wide webinar on LGBTQ Issues in the Workplace hosted by EPA's Employee Counseling and Assistance Program (ECAP) in the Office of Human Resources.

We know this will not work for all OGC with regularly scheduled meetings (and since it is an OHR webinar, we did not have any choice in the scheduling), but wanted to have a room for those OGC folks who do happen to be available during this time to watch it together.

If you are unable to join us in 4304, feel free to register here to join at your desk. Please see further info below.

Thanks!

Mahri Monson and Ariadne Goerke, your OGC LGBTQ+ Special Emphasis Program Co-Managers

The Presenter is Mark Silva.

In his current position at Diverse & Resilient, Mark coordinates programming focused on LGBTQ acceptance, sexual health, and public health messaging. Mark was born and raised in Milwaukee, WI, and has a B.A. in sociology from St. Norbert College. He studied health disparities and social work, and has developed training materials on how to be a better advocate and ally for historically marginalized groups. He has coordinated, participated in, and lead local and national service trips focusing on HIV awareness, mental health, and other topics to promote community-based, sustainable change. Mark is also a group facilitator with a background in mental health and social work, and is dedicated to progressing toward a just society that celebrates diversity and acceptance.

Free Webinar! LGBTQ Issues in the Workplace
Wednesday, June 21, 2017, 12 PM EDT

Lesbian, Gay, Bisexual and Transgender Pride Month is currently celebrated in the United States each year in the month of June. In celebration of Pride Month, Mark Silva presents a free, one-hour webinar

on LGBTQ Issues in the Workplace.

Issues surrounding LGBTQ rights have become a prominent focus in the workplace over the past few years. With the legalization of same-sex marriage and ongoing discussions about gender identity, how do employers and their organizations navigate the social, emotional and legal complexities of LGBTQ rights at work while maintaining an equitable attitude and supportive stance? This webinar discusses what to do—and what not to do—in the pursuit of a welcoming, inclusive work environment.

In his current position at Diverse & Resilient, Mr. Silva coordinates programming focused on LGBTQ acceptance, sexual health, and public health messaging.

I'm GM's lead Republican managing our Federal team – I'm sorry that I don't think we've met in person yet. As you know, GM General Counsel and my boss GMNA VP for Public Policy met with the Administrator in April. I think that Mandy and Brittany were also in the meeting. We were hoping to schedule a meeting with the three of you and some of our technical folks from Detroit next week or the following regarding the fuel economy mid-term review and harmonization of EPA/NHTSA fuel economy standards.

Location WJN 6013 | Call-in: (b)(6) code (b)(6)

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on alternating Mondays and Tuesdays from 12:30-1:00 pm (note that time may change to accommodate other office-wide events). All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Adam Wilson, Denise Walker, Kimberly Jones, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for

different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Location DCRoomARN - 6013 - Conference Line: (b)(6) Code (b)(6)
Show Time As Tentative

If you have the time, I encourage you to take a look at the meeting invitation you received for a DDG-hosted event tomorrow, Tuesday, from 2:30 – 3:30.

Rather than hosting a book club, DDG is hosting a series of "Coffee and Conversations." For each gathering there is a theme, and a series of short articles to read in advance. This week's Coffee is focused on generational differences in the workplace.

Check out the meeting invite you received – it contains links to interesting (and short) articles about working among and with colleagues from several diverse generations. One article summarizes a psychologist's study on how to help "traditionalists, baby boomers, gen Xers and millennials work better together, despite their generational differences." Another article concludes that the stereotypes don't necessarily stand up to the test, and the author concludes that all generations have similar values, want respect, trustworthy leaders, like to learn, and more.

Consider joining the conversation tomorrow – whether you've read the articles or not – I imagine you will learn something you can apply to your everyday work-life.

Good afternoon,

The DDG reading group is excited to invite you to join your colleagues for afternoon coffee (tea, smoothie, or soft drink) and conversation. The reading group will share short articles that offer different perspectives on a particular subject. We will then come together to discuss the articles and share insights on how to cultivate our diverse OGC community given our individual experiences. We are planning four installments of Coffee and Conversation.

The first installment of Coffee and Conversation will focus on Generational Differences In the Workplace. Links to the articles are provided below. Even if you don't have time to read each article, please feel free to come by and join the conversation! We will have a few copies of the articles available.

If you want to participate via phone, let me know and we will provide a conference line.

Snacks will be provided but please bring your own beverage. If you have any questions, feel free to contact Allison Hoppe, Tali Zemel, or me.

The Regulatory Flexibility Act (RFA) imposes analytical and procedural requirements on federal agencies to ensure that those agencies carefully consider the effects that their regulations may have on small entities.

EPA rule writers and counseling attorneys deal with the RFA on a regular basis. Please join the Cross-Cutting Issues Law Office for an RFA training provided by Bruce Lundegren and Tayyaba (Tabby) Waqar of the Small Business Administration's Office of Advocacy.

Carla,

Is it possible for Erik, Justin, & David to get 30 minutes with Kevin tomorrow during his Time With Kevin slot? Or maybe 15 minutes? Thanks!

Background:

In order to be used for compliance under RFS2, biofuels must have an approved pathway. Pathways are based on GHG modeling of the production process and the feedstock used. Sorghum oil biodiesel does not have an approved pathway and thus cannot be used in biodiesel production costing our growers and industry money and leading to ethanol plants stopping the purchase of sorghum. This is a significant problem as approximately 10 sorghum ethanol plants are now extracting oil but cannot sell their oil into the valuable biodiesel market.

We have submitted three documents to EPA staff totaling 325 pages. We have been working on this issue with EPA for over 3 years. The original petition was submitted in July 2016, and follow-up submissions answering staff questions were sent in January 2017 and April 2017. We also sent follow-up answers to Aaron Levy in early May and had sorghum ethanol plant staff do the same. He assured us the questions we answered would be the last in this process. Sorghum oil biodiesel can be approved by letter and extensive modeling has already taken place, so the process should be expedited.

Background on the Meeting: Short background: First, NSP has been working with EPA since 2013 to gain approval for a sorghum oil biodiesel pathway. The Agency has the legal authority to approve this pathway but continues to request information immaterial to approval.

Long Background: NSP has been working with EPA since 2013 to gain approval for a sorghum oil pathway. For several years EPA staff maintained NSP would not be required to submit a full petition. EPA then reversed course and asked for a full petition. NSP submitted a full

petition in July of 2016 after having invested significant time and funding into research to gather the data EPA requested. We believe this petition can be approved by letter without any formal rulemaking process. In fact, EPA has multiple legal precedents in the last two years.

Despite this precedent, EPA asked for additional information in October of 2016, and NSP submitted this information in January of 2017. EPA again asked for additional information in March of 2017, and NSP submitted this information in April of 2017. This most recent submission will have no bearing on EPA's approval of this petition as the information will have a negligible impact on greenhouse gas (GHG) emissions. Per the RFS2 final rule, a fuel is considered advanced if its GHG emissions achieve a 50 percent reduction from the established baseline. Sorghum oil biodiesel is almost identical to corn oil biodiesel, and corn oil biodiesel meets this GHG reduction threshold easily having been approved in March 2010.

Every month that drags by costs sorghum farmers and ethanol plants hundreds of thousands of dollars. This has nothing to do with the philosophical debate over the RFS. This has everything to do with EPA applying the rules of the RFS in a fair and timely manner that does not discriminate against sorghum farmers and its end users.

Subject: RE: Petition for stay of ozone designations delay action

Below is a summary of the petition. Thanks to Karen Bianco. If you have further questions, please let us know.

Several environmental groups filed a petition with the Administrator on July 5, asking that the Agency immediately stay, pending judicial review, the effectiveness of EPA's extension of the deadline to promulgate initial area designations for the 2015 ozone NAAQS. The petitioners allege that the Agency's decision to delay designations does not comply with Clean Air Act requirements and is irrational. The petitioners present a 4-part analysis of why a stay of the designations delay is warranted, specifically because (1) they are likely to prevail on the merits in an underlying challenge to the designations delay; (2) they will suffer irreparable harm without a stay; (3) a stay will not substantially harm other parties; and (4) the public interest favors a stay.

First, the petitioners state they are likely to prevail on the merits on a challenge to the Agency's 1-year delay of the deadline to make initial area designations because our rationale for delaying designations "is untethered from statutory considerations, unexplained, and baseless." Petitioners argue that the only factors relevant for EPA to justify an extension of the designation deadline relate to information about air quality conditions and areas that contribute to harmful quality, yet EPA did not cite these factors in justifying the delay. Petitioners allege that the factors EPA does cite (ongoing consideration of the 2015 standard, further analysis of background and international contributions to ozone pollution, analysis of exception events demonstrations) do not relate to the statutory standard of having "insufficient information" to proceed with initial area designations. Petitioners also argue that EPA has not explained how the information the Agency has is insufficient to make designations, noting in particular that international transport and background ozone relate to implementation of the standard, not designations, and such lack of explanation makes the delay arbitrary. Petitioners make additional allegations, including that EPA has not

explained why it needs a full year delay (as opposed to a shorter delay) and why it cannot make designations for some areas, even if information is insufficient to designate parts of the country (e.g. locations most strongly influence by background ozone).

Second, petitioners explain that they will be irreparably harmed if the delay in designations is not stayed because a delay in designations results in a delay of pollution controls, state planning, and attainment deadlines, all of which will result in myriad adverse health and environmental impacts. Third, petitioners allege that granting a stay will not harm other parties because EPA, states, and industry cannot be cognizably harmed by having to comply with the ozone implementation program Congress enacted. Fourth, petitioners attest that the public interest favors staying the designations delay because EPA has projected (in the rulemaking setting the 2015 ozone NAAQS) that compliance with the 2015 standards will realize significant health benefits.

The petitioners state that they intend to file a petition for review of our final action in the D.C. Circuit shortly and to seek a stay from the Court, and accordingly ask that we respond to their request by 6:00 p.m. on July 11, regarding whether the Agency will grant their requested stay.

Subject Fwd: Meeting Hunt Company (re: WIFIA)

Location 1200 Pennsylvania Avenue, NW (North) - Room 3528 WJCN

Show Time As Tentative

To my attorneys:

The following group has requested a meeting with me. The meeting is set for June 11 from 2-2:30. Because the WIFIA program is currently going through the applicant selection process, it would great if one of you could attend.

Just for your information, I have confirmed that neither the company itself nor any of their clients has an application in for this round. I also plan to ask OW for what they've told the public w/r/t the application process to ensure I say nothing more than that.

Hi everyone –

An important part of the FY 2019 budget development process is the Senior Leadership Council meeting. This meeting brings together all the senior leadership, HQ and the regions, to discuss agency priorities and resource needs in order to inform decisions for the FY 2019 Budget due to OMB in mid-September. Given there are many people new to this effort, Tuesday afternoon is dedicated to hearing from the program teams to establish a common understanding before launching into Wednesday's planning and resource discussions. Wednesday's sessions

begin by setting the stage with presentations and discussions on key building blocks for the FY 2019 budget followed by small group and full group discussions to identify programmatic options for consideration in the FY 2019 OMB Submission. On Thursday, updates are proposed on the First Line Supervisor Advisory Group efforts and Executive Order implementation.

An agenda with more details will follow shortly and be included in the meeting invitation. You should receive and invitation for each day since the times vary. In addition, invitations to the +1s for Wednesday, 7/19, will be sent separately.

If you have any questions please do not hesitate to reach out to Mike Flynn or me.

Thank you, Robin

Thank you.
On CCR I defer to David fotouhi.
On ozone designation delay, I am happy to do a call. Our policy people (program and political) are meeting with OGC *thursday* for option presentation, but we can certainly have a discussion tomorrow if that would help.
On landfills, the issues are very dense. I can explain my high level understanding but we may want to wait until Elliot Zenick is back from travel.
Erik and david, your thoughts?

Justin,
I am following up on a few items coming out of the ENRD-OGC call yesterday that we might want to have further discussion on. There is also one item we didn't spend much time on because there is no a facial deadline, but our lead attorneys on the case feel should be a priority item for EPA's decision.
(b)(5) DPP and ACP [redacted]

(b)(5) DPP and ACP [redacted] Let us know if we should set up a follow up call.

NRDC v. EPA (D.C. Cir.) [municipal landfill] There was a discussion that this case may present more complex issues than are superficially apparent. When appropriate, we would like to understand OGC's concerns better.

Utility Solid Waste Activities Group v. EPA (D.C. Cir.) [RCRA coal ash rule]. We didn't spend much time on this, but the lead lawyers handling this case indicate that – while we are facing no formal deadline – there is an acute need for a decision on how EPA wants to defend this case going forward. The case is fully briefed, and the D.C. Cir. is likely to set a schedule for oral argument at any time. If EPA desires to reconsider any aspect of the rule, ENRD would like to notify the Court as soon as possible – preferably before the argument is set. A request to postpone the scheduling of oral argument is easier to justify and obtain than that a request that oral argument (already scheduled) be delayed or withdrawn. The closer you get to a scheduled argument, the more difficult the request to justify. Note, also, this is only one of the more important of than a half-dozen currently-pending cases that are either set for oral argument – or that soon will be -- that ENRD has identified as presenting policy issues that the current Administrator may wish to reconsider. The attached document lists others.

Please let us know your thoughts on a potential follow-up call regarding these items.

Best,

Jon

Subject: RE: Corn Refiners Association (re: biogenic CO2)

Alex,

We talked a bit with Justin and David about this meeting and they suggested we see if it would be possible to get some time for a pre-brief with Mandy.

The Biogenic CO2 Coalition is engaged on a number of issues (including some pending litigation for which they may be presenting a settlement proposal). If the plan is simply to be in listening mode then it may not be necessary for us to find time to talk ahead of time, but if it's possible to find time and would be helpful to talk we would be glad to give some background on the issues and possible requests.

Thanks,

David Orlin

Whether you've been with OGC for a few weeks, a few months, or a few years—you've probably noticed the Earth Day posters and other environmental posters featured in the Seventh Floor conference rooms. Together, these posters tell the story of the early environmental movement in the United States. Come hear the story, as told through the posters and hosted by ARLO's Howard Hoffman. Remote participants will be able to view the posters through PowerPoint.

Subject Moot Court: Texas v. EPA (5th Cir.) (Dustin Maghamfar) (venue issue in supplemental SO2 designations case)

Location Room 8000 Patrick Henry Building, 6th and D St., NW, or teleconference (see dial-in information below)

Show Time As Tentative

My apologies – I inadvertently left off the teleconference information. For anyone who needs to dial in, please use (b)(6) code (b)(6) Sorry for the inconvenience. Jack

---

All: This is a petition for review of a supplemental rule adding SO2 designations for certain areas in Texas. We have argued that the case belongs in the DC Circuit under the CAA's special judicial review provision because these Texas designations were substantively part of the national set of designations, even though they were issued separately for administrative reasons. The 5th Circuit has scheduled oral argument on our motion to dismiss or transfer for Wednesday, July 26, 2017, in Houston, Texas. If the above time for a moot court presents a conflict for anyone planning to attend please let me know. Otherwise Dustin will circulate the briefs about a week in advance. Thanks. Jack

EPA Contact: For an escort from Security to the meeting call 202-564-3164 or 202-578-5985

Request:

Follow up on Erik's inquiry asking us to reiterate TTMA's request for a meeting with EPA on its petitions to the Agency for reconsideration of the trailer GHG rule and an administrative stay under the APA or Clean Air Act.

Discuss EPA's path forward, as the industry faces a compliance date of January 1, 2018, which requires both immediate investments to achieve compliance and will cause customers to shift business away from large manufacturers who are subject to compliance obligations and toward small volume manufacturers who have exemptions. This is creating tremendous pressure on TTMA members to do something to address compliance obligations with a rule that they believe is both unlawful and contrary to the current Administration's policy.

Although TTMA is concerned about the government's request for a 30-day extension to the abeyance of the pending litigation because that will defer the process to obtain relief from its current situation, we are

amenable to considering this further together in a meeting hopefully on July 31, and extending the abeyance to accommodate this approach until August 4.

How long can an agency wait before it has "unreasonably delayed" taking action, in the view of courts, in violation of the Administrative Procedure Act (APA)?

Join Gary Dreyzin, the Cross-Cutting Issues Law Office's (CCILO) Summer Law Clerk and CCILO's Paul Bangser for a soup to nuts look at "unreasonable delay" case law. From existing research and his own review of over 100 unreasonable delay cases, Gary has generated charts and data that help illuminate time frames and trends in the case law surrounding unreasonable delay.

DATE AND TIME CHANGE -- All, please note that in order to work around the weekly WOTUS meeting my briefing has been changed to Thursday, Aug. 3 from 2:40-3.

Hello all. I am sending an invite for my final briefing on my CWA 101(b) Assignment. I will arrive 5 minutes early and we are to wait outside of

the room until let in – there is a briefing before me and they are trying to avoid opening the door and people walking in while the other briefing is going on.

If you have any questions please ask. If you think there is someone that I should have invited and I did not (or anyone that is interested) please let me know!

Time has flown by and it is almost time to say good bye and thank you to the clerks who spent the summer with us.

Please join us in Kevin's office for drinks and snacks and to congratulate the clerks for a summer of excellent work (and for keeping our softball team afloat). Caitlin Downs (7426JJ) and I (7353E) are accepting donations to the happy hour fund and we'd also welcome contributions of baked goods!

Thank you and we hope to see you there!

I haven't had the chance to do much with this draft I received from Carol Ann, and given my travel this week, it may be tough for me to move the ball forward on this. Would you guys be able to take a look and maybe we could discuss over the weekend or on Monday?

David – I sketched a handful of options for your review. I haven't really fleshed out the implications, but this paper should stimulate your thinking. I look forward to your thoughts and suggestions on Monday. I'll prepare the next version of this paper before I go on vacation on Friday night August 4.

I have also attached our background Q&A on the EAB, for your reference. I'll be out of the office on Friday July 28 but reachable by phone from 9 am to about 1 pm that morning. Call me if you need me at my work line below!

Show Time As Tentative

It's hard to believe, but we're already into the second month of the Feds Feed Families campaign! Thank you to the many of you who have already made food donations or volunteered. To kick things up a notch, we will be holding an OGC Bake "Sale" to benefit Feds Feed Families. Bring non-perishable donations in exchange for delicious baked goods. No cash will be accepted (see this link <http://intranet.epa.gov/fedsfeedfamilies/docs/archive/2016OnlineDonationInstructions.pdf> for ways to donate online, and bring your receipts in exchange for bake goods). Help end hunger, while also enjoying a mid-afternoon treat!

We will be tallying donations by Law Office. The winning office will get a prize at an upcoming staff meeting.

If you are interested in donating baked goods, please send me an email.

Thank you for your generosity!

Did you know that the Supreme Court has issued over twenty standing decisions in the past decade, including three in this Term alone? To learn more about changes to this important litigation defense, please join the Cross-Cutting Issues Law Office (CCILO) for a survey of recent Article III and zone-of-interests standing jurisprudence. CCILO's Ryland Li will unpack four of the most important developments:

* Probabilistic harms and judicial crazy quilts

* Spokeo, Inc. v. Robins (2016), procedural rights and concrete interests

* The complicated relationship between standing and the merits

* Lexmark v. Static Control (2014), and the quiet demise of "prudential standing"

Subject APA Roundtable: Judicial Review

Location 3500 WJCN

Show Time As Busy

Samantha and Brittany have expressed an interest in learning more about the Administrative Procedure Act (APA) in the context of rulemaking. They and Justin Schwab decided to organize a very informal APA Discussion Group or Roundtable for this purpose. The first meeting will focus on Judicial Review and what courts look for in upholding or invalidating a rule or other agency action. At the end of this meeting, participants will identify the topic for the next Roundtable.

Subject Breakfast to Celebrate Bob Ward's Career
Location DCRoomARN4045/DC-Ariel-Rios-OGC
Show Time As Tentative

OGC & Beyond,

As you may have heard, after many years of dedicated public service at EPA, Bob Ward will be retiring from the agency and moving on to new and exciting opportunities outside of EPA. In recognition of his service and contributions to EPA's efforts to protect human health and the environment in the United States and across the globe, OGC's Front Office will be hosting a breakfast on Tuesday, August 29 at 9:00 am in WJCN Room #4045. We hope to see everyone there to wish Bob all the best!

To help us plan, please RSVP yes if you expect to come and RSVP tentative if you may come but are unsure. We know there are a number of talented bakers and chefs across the office, so if you would like to bring anything for the breakfast we will happily accept any contributions – please just let Derek Mills know.

For those coming from outside EPA, please contact Derek Mills at mills.derek@epa.gov <mailto:mills.derek@epa.gov> or (202) 564-3341 for additional details on entering the EPA building.

Subject: Regional haze deadline and Hurricane Harvey

Dear Counsel: We are writing to request your agreement to an extension of EPA's Sept. 9, 2017 deadlines in Sierra Club v. Pruitt and NPCA v. Pruitt until October 24, 2017. This extension is necessary in light of the demands on EPA Region 6 to respond to Hurricane Harvey, which have disrupted the operations of the Region, particularly the upper management. In addition, EPA is reluctant to take a major action with respect to Texas at a time when the Governor and TCEQ are fully occupied with the ongoing crisis.

This emergency extension would be without prejudice to EPA's pending motion for a longer extension, and your agreement would of course be without prejudice to your opposition thereto.

We appreciate your prompt consideration of this request. EPA wants us to file a stipulation or motion today if possible as the Region is trying to allocate its resources.

Thank you.

Subject: Meeting Request
Importance: High

Dear Robin:

As you suggested earlier this summer, I am contacting you to see if we can schedule a meeting in the near future with Mandy and Brittany to discuss next steps on the issue of the Clean Air Act Standards for MSW Landfills. The 90-day stay will expire in two weeks and the proposals for stay extension are still with OMB. We know that the states and regulated community will have many questions regarding how and when to comply with the Subpart XXX and Cf rules once the stay expires; states expressed such concern in their regulatory reform comments. We are concerned

that staff within OAQPS, OECA and the regions will receive questions and there is a high risk of inconsistency and miscommunication with respect to intended implementation of the rules, especially after the stay period. This is particularly worrisome as staff now involved in implementing the new rules have no familiarity with landfills and had little or no role in the lengthy regulatory history that led to their promulgation.

We would very much like to discuss with Mandy and Brittany the Agency's next steps for a stay extension, planned schedule for a reconsideration/rulemaking initiative, as well as guidance to the states and regulated community regarding compliance in the transition.

A number of meeting participants will be coming in from out of town, but if you can give us several possible dates in August and/or early September, we will make every effort to accommodate Mandy and Brittany's busy schedules. I will follow up with a phone call.

Thanks so much for your help,

Kerry

We'd like to discuss the "electric pathway," which is a part of the Renewable Fuel Standard that would allow small animal farms, like dairies in Wisconsin and Pennsylvania, to benefit from the generation and sale RINS. A final rule promulgated three years ago gives EPA significant flexibility to implement the electric pathway by approving applications on a case-by-case basis, but EPA staff have been pushing for yet another rule-making.

BTR Energy is an applicant under the electric pathway, and we're completely unique in our focus on driving value to parts of the animal agricultural industry. We'd like to discuss approving our application and adjusting the 2018 renewable volume obligations to account for the RINs we can currently create. We work with almost two dozen dairy, swine, and cattle farms across the country that would immediately benefit from our program, and our work now has the support of over a dozen members of Congress, including folks like Congressman Chris Collins from NY and Congressmen Mike Gallagher and Sean Duffy from WI.

Approving our application shouldn't be a big lift for EPA staff, in our view. The supply and delivery of the renewable fuel (electricity) is there, and we've done most of the work, as the rule has been in place and inactive for three years (we can discuss that more in the meeting). In that way, the program is extremely efficient: low effort for EPA, high impact on farms that have traditionally been locked out of the RFS.

I've attached a summary document that explains the issue and profiles two of our partners. I've also attached a letter of support one of our partners wrote to their Congressional representatives and an executive summary of BTR Energy.

We've had more than a half dozen meetings with staff in the OTAQ office over the last three years. Last week I had coffee with Ben Hengst, who supports Chris Grundler, the director of OTAQ. Ben suggested we aim to meet with Mandy Gunasekara individually so that we could be candid about our experience.

We also met with Mr. Kell Kelly last week, who agreed that Mandy is the right person.

I hope all that helps. We can provide a lot more context in the meeting.

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Adam Wilson, Denise Walker, Kimberly Jones, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for

different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Subject Lessons on Inclusivity from Activist Movements
Location WJCN 6013; (b)(6) Code: (b)(6)
Show Time As Tentative

Activism and protest have been influential aspects of American history from even before the country was founded to the present. Some of these movements or events have proven to be more successful than others at bridging cultural, political, or social barriers and bringing people together around a common cause.

The Diversity Dialogue Group invites you to participate in a reading group-style event where we will discuss lessons on inclusivity that can be learned from activist movements both past and present. The list of articles below provides a starting point for that discussion, but those who do not have time to read any or all of the articles in advance of the event

are also welcome and encouraged to participate. Of course, everyone is invited to share from their own knowledge or experience of movements not covered in the articles.

Many of these topics can be difficult to discuss and may touch upon subjects that are important on a personal level to people in our office. Please come prepared to engage in a thoughtful, respectful and open conversation.

Hi Alex and Mandy:

I hope you are all doing well. Just reaching out to see if you had time next week for a meeting with Tom Howard, VP of Government Relations for Domtar and Annabeth Reiter, who manages environmental issues for the company.

Annabeth spoke with Mandy briefly yesterday as part of a larger pulp and paper industry meeting, but Domtar's largest pulp and paper mill in

Ashdown, Arkansas is having some difficulty with regional EPA staff that insist on enforcing best available retrofit technology (BART) on machines at the facility that, in our view, do not warrant it. We wanted to briefly discuss our situation and potential remedies. Unfortunately, we are running up on some deadlines with regional staff and that is creating some urgency. Tom and Annabeth are available any day but Monday next week.

Thanks so much for your consideration.

-Pat

Mandy and Alex,

It was a pleasure seeing you today.

In follow-up to our discussion on PALs, I thought the attached one-pager could be helpful.

As I mentioned to Mandy, Pat Rita will be in contact regarding a meeting with Mandy on the Arkansas Regional Haze matter and our Ashdown facility. It would be great if we could find a time next week to meet.

Thanks,

Annabeth

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the law, see this recent DC Bar article<https://perma.cc/5PDE-L5QN>. Feel free also to reach out to Adam Wilson, Denise Walker, Kimberly Jones, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Subject: availability Tuesday 9/19 from 930-10

Dear Kevin and Elise,

As discussed, if you are available for a brief (10-15 minutes, I have been informed) interview next Tuesday morning (9/19), I would appreciate it.

The interviewer should be arriving at 930.

(Kevin, Elise has informed me that you will not be on travel and that she expects you will be available – apologies if this is not correct.)

I do not know whether you will both be taking the interview together or whether it will go in sequence.

Best,

Justin

Mindfulness meditation* is a practice that can help us to manage stress, improve concentration, and enhance awareness. We invite you to join your OGC colleagues for a half-hour mindfulness meditation on Mondays from 12:30-1:00 pm. All are welcome. No prior experience or long-term commitment is required. If you're interested but can't make the next session, you may want to keep the recurring invite on your calendar and join when you can.

To learn more about the benefits of mindfulness and meditation in the

law, see this recent DC Bar article <https://perma.cc/5PDE-L5QN> . Feel free also to reach out to Adam Wilson, Denise Walker, Kimberly Jones, Mahri Monson, and Ryland Li. (Please note that any responses to this invite will be automatically filed and not read. If you'd like to be in touch, please reach out to any of us directly.)

* The terms "mindfulness" and "meditation" hold different meanings for different people. As used here, the term "mindfulness meditation" broadly refers to the practice of maintaining awareness of the present moment, and of accepting and non-judgmentally observing the sensations, thoughts, and emotions that arise.

Tuesday, September 26, 3:30-4:30 p.m. Eastern

ECOS Webinar

Cooperative Federalism 2.0: A Deeper Look into a Rebooted EPA-State Relationship

Please join Environmental Council of the States (ECOS) leaders for a free webinar on the transformation underway between states and the U.S. Environmental Protection Agency (EPA) - a relationship change that will benefit human health, the environment, transparency, and results and outcomes.

This webinar will address:

* key elements of Cooperative Federalism 2.0 <http://ecos.us13.list-manage.com/track/click?u=9e50dc866c1bae2668bdf6b47&id=06f01a4273&e=c7c6d9c70f> ;
* considerations underway to reevaluate how oversight of delegated programs is carried out by EPA;
* innovations in the areas of compliance and enforcement, and how states and EPA can more effectively implement their roles and duties;
* business process improvement and leaner, streamlined environmental processes for permitting, information transfer, and more; and
* new ways of measuring results and outcomes that will allow us to more effectively deliver environmental and human health protection.

Who should attend?

This webinar is appropriate for local, state, tribal, and federal environmental regulators, members of the business community, representatives from non-governmental organizations, state, regional, and national association leaders, and the press.
