Hi [REDACTED]

Attached the presentation of today. If you have suggestions for people to invite for the stakeholder sessions, we want to invite these people around the 5th of January.

Have a nice Christmas break and all the best for 2021.

Kind regards, [REDACTED]

Subject: PPT of today's meeting

Hi [REDACTED]

Thank you for the presentation today. Would it be possible to send me the slides to have a reminder of the next steps of WP7 when coming back to work next year (my Christmas break starts in a couple of hours 😊)? I can then also ask my colleagues if they have any ideas regarding participants for the guided stakeholder sessions (though most people have left for holidays already, so I won't hear from them before next year)?

Happy holidays and all the best for 2021.

Best regards
