Per telephone conversation with Jack Volter, the asbestos caution label printed on our bags will be increased from the approximately 1"x1-3/4" tag on the end of the bag to approximately 1-1/2"x4" label to be printed on the very bottom of the back of the bag. The wording will remain the same, which reads:

CAUTION
PRODUCT CONTAINS ASBESTOS FIBERS
AVOID CREATING DUST
BREATHING ASBESTOS DUST MAY
CAUSE SOOPLY HARM
