RUSS COLUMNS OVERRUN OUTER BASTION OF KIEV

Continued from First Page
The entire German front in the Ukraine has been overrun by the Russians. The Germans have been driven back to the Dniester River, and the Russians are now in control of the entire region. The Germans have been driven back to the Dniester River, and the Russians are now in control of the entire region. The Germans have been driven back to the Dniester River, and the Russians are now in control of the entire region.

There were 31,000 German soldiers in the Ukraine. They were driven back to the Dniester River, and the Russians are now in control of the entire region. The Germans have been driven back to the Dniester River, and the Russians are now in control of the entire region.
