Gentlemen:

Can you give me Information
relative to the action of Ethyl gasoline
on the skin, eye and air passages when
handled carelessly? Have you had any
instances of hyper-susceptability in oper-
atives handling this product? If so,
what is the reaction, clinical picture etc.
as to the effect upon skin, eye and air
passages.

I will greatly appreciate this
information.

Sincerely yours,

Geo. F. Carroll.
