Thank you so much for checking! Unfortunately he wouldn't be available until afternoon. Should we try for then or look to the next time he is in town?

Thanks!

Thank you so much for sending! Unfortunately due to some very last minute changes, I don't think the Administrator will be available tomorrow afternoon. Is there any chance you all might have some availability on Monday? I'm so so sorry for the change.

Thank you!

Sydney:

Thanks, I know the Administrator's schedule is complicated enough, but with international travel it's an additional degree of difficulty.

I'll vet this promptly from my end and respond back.

Thanks, much appreciated.

Would it be possible for you to let me know if the June 2<sup>nd</sup> or June 5<sup>th</sup> would work for Administrator Pruitt? **Subject:** FW: Meeting Request

Dear Sydney:

I would like to request a meeting with the Administrator for Larry Ziemba, Executive Vice President, Refining, for Phillip 66. Larry has responsibility for the company's refining operations and serves in a leadership position with the American Fuels and Petrochemical Manufacturers Association. He has been working with other refiners and the Auto industry regarding the potential for higher octane fuels and other forward looking fuels issues. A brief bio is set forth below.

Larry is currently scheduled to be in D.C. on Friday June 2<sup>nd</sup> and Monday June 5<sup>th</sup>. If those days would not work with the Administrator's schedule, he is happy to work

with other days that would be more convenient for Administrator Pruitt.

Lawrence (Larry) M. Ziembra is executive vice president, Refining, for Phillips 66, a diversified energy manufacturing and logistics company. He has 35 years of experience in the oil and gas industry. Before joining Phillips 66 in May 2012, Ziembra previously worked for ConocoPhillips as president, Global Refining, a role he took on after serving as president, U.S. Refining, since 2003. He first joined Phillips Petroleum in 2001 after its acquisition of Tosco and was in charge of handling the integration of the refining operations during the merger with Conoco. Originally from Chicago, he started his career at Unocal's Chicago refinery in 1977. In 1988, he moved to Unocal's Los Angeles corporate headquarters as manager of planning/business development for its downstream business. In 1991, he managed the acquisition of Shell's Carson refinery and subsequently integrated the asset into Los Angeles operations. In 1997, Ziembra joined Tosco as they acquired Unocal's downstream business. In 1999, he was named vice president of Tosco's three San Francisco area refineries. In 2000, he was assigned to handle the acquisition and takeover of the Wood River refinery. He has held a number of industry and community leadership positions including board positions with American Fuels and Petrochemical Manufacturers Association, WRB Refining LP and the Western States Petroleum Association. Ziembra earned a bachelor's degree in mechanical engineering from the University of Illinois-Champaign in 1977 and a Master of Business Administration degree from the University of Chicago in 1985.

Thank you for your consideration,

Joe Stanko
