THE ATLANTIC
DIALOGUES

September 20th, 2017

The Honorable Scott Pruitt

Administrator
The U.S. Environmental Protection Agency
1200 Pennsylvania Ave NW Washington, DC 20460
United States

Dear Mr. Administrator,

OCP Policy Center is honored to invite you to speak at the sixth edition of *The Atlantic Dialogues*, which will be held at the Mamounia Hotel in **Marrakesh, Morocco, from December 13–15, 2017**. Under the theme “**Africa in the Atlantic: Time for Action**”, participants will explore greater foundation for cooperation by capitalizing on the potential of both the North and South, leveraging on Africa’s burgeoning dynamism. We are happy to assist you in identifying the most appropriate session to display your expertise and make your time at *The Atlantic Dialogues* as productive as possible.

Launched in 2012 by its founding partners, the German Marshall Fund of the United States and OCP Policy Center of Morocco, *The Atlantic Dialogues* has become a recognized annual tradition for decision-makers to discuss cross-regional issues and shared policy challenges shaping the future of the four continents around the Atlantic Basin. This initiative underscores the growing importance of Africa and Latin America as actors in the Atlantic space and promotes a more comprehensive approach to transatlantic relations, paying special attention to North-South and South-South relations.

You will be joined by senior government officials, business leaders, academics, and media representatives from Africa, the Americas, the Caribbean, and Europe, as well as other places that demonstrate a renewed interest in the Atlantic. Through interactive panels and smaller break-out sessions, *The Atlantic Dialogues* conference looks to create opportunities for networking and intellectual debate.

We would be delighted to work with you to identify an appropriate speaking role taking advantage of your expertise in environmental policy. The organizers will be pleased to cover travel, accommodation at one of our conference hotels, and meals during the event. For further information, please do not hesitate to contact Nisrine Ouazzani at nisrine.ouazzani@ocppc.ma or +212 648 61 47 86.

Given your role and experience, we believe that your contributions will add great value to the discussions. We very much hope that you will be able to join us in Marrakesh in December.

Sincerely,

Dr. Karim El Aynaoui
