Subject: RE: THANK YOU! 2/14/18 Outreach Meeting with Intergovernmental Associations

Dear Colleagues,

Allow me to add my thanks to Arnita's. Y'all made this an incredibly substantive and interactive engagement with our state and local association partners, and I know they all appreciate you too! And a special thank you to our Michigan presenters. The Governors' PART initiative is very impressive, and your presentation really underscored many of the challenges states face in dealing with PFAS contamination.

Best Regards,

Jack Bowles

Subject: THANK YOU! 2/14/18 Outreach Meeting with Intergovernmental Associations

Hi Presenters!

I am writing to express our very deepest appreciation for all you shared today with our Associations. Please know that you were all so very well received and that the audience found most valuable the information you presented. The session flowed smoothly, and facilitated an opportunity for a bit of productive dialogue and questions even with time constraints.

We recognize the incredible demands on your time so we are especially grateful that you were able to fit this into your schedules. If ever we can help you in any way as you promote effective partnerships to address the needs of our communities, please just give a shout. And I have cc'd those who also contributed greatly to the success of today's session and extending that THANKS to them as well.

All the Best (and until next time☺!),

Arnita
