Dear All,

please find attached to this Email the following documents:

- draft minutes from WebEx 22 March (2021-03-26_PFAS RESTR-15 Minutes and APs_Draft.docx)
- updated list of open action points (2021-03-26_List of open APs.docx)
- the final minutes from WebEx 22 February (2021-03-22_PFAS RESTR-14 Minutes and APs_FINAL.docx)
- an updated version of the overview of contacts for the different WPs (2021-03-26_Overview - Contacts of different WPs.docx)

I uploaded the documents also on S-CIRCABC in the respective folder.

I took the liberty of changing the list of APs around a bit, so that the open points are presented on the first pages and closed APs are just listed in a separate second list for archiving and as reminder. Please do check, if I missed any important points.

Please send any comments and additions to the draft minutes of our monthly WebEx until Friday 9 April 2021.

Thank you very much.

Best regards,

for the German CA
