United Paperworkers International Union
A.F.L. - C.I.O. Local #348
Erie, Pennsylvania

Attention: Larry Rice
Secretary

REFERENCE: LETTER OF WARNING

Gentlemen:

Bruce Soliwoda, Bob Oldach, William Pinkston were working in a box car unloading fiber on west Crouchs. They were not wearing respirators. I warned the three (3) of them for not wearing respirators and advised them if they were caught again without wearing respirators that they would be disciplined.

Yours truly,

GAF CORPORATION
