

RILEY STOKER CORPORATION
WORCESTER, MASSACHUSETTS

January 2, 1957

Mr. M. O. Peck
Manager, Industrial Relations Department

.....

Detroit, Michigan Office

Your memo of December 28 to Miss. Marie Jackson of the Payroll Department was turned over to the writer for disposition. This is in connection with a notice of hearing for Lewis K. Munger who allegedly worked for the Riley Stoker Corporation and for which the Riley Stoker Corporation, N. Y. has been named as a defendant.

Please be advised that in checking our employment records, we could not find where we had ever employed a person by the name of Lewis Munger, and we are completely at a loss as to how the Riley Stoker Corporation has become involved. I have discussed this matter with Mr. R. K. Griffith and he requested me to advise you to this effect, and also to have you contact Mr. Henry Brakora, Claims Manager for the Michigan Mutual Insurance Company to find if any information has been developed since you last talked to him.

We are, therefore, awaiting your reply and will do nothing concerning the hearing to be held on January 18, 1957 until we hear from you. Your cooperation in this matter will be greatly appreciated.

Very truly yours,

RILEY STOKER CORPORATION
