# Floors—Refinish Yours Yourself

with paint or varnish. We tell how

IT'S a simple matter, if you cannot get a painter, to refinish any floor—fun, in fact, to do the work yourself.

We make the finest finishes. They dry over night, so you can walk on them in the morning.

They are made for laymen's use as well as painter's—they flow and spread easily and cover well. The result is a smooth and lustrous finish—just the one you want to get, although you—an amateur—do the work.

Women can apply these products as well as men.

Fuller makes a famous floor paint—

Rubber Cement Floor Paint and two famous varnishes called "Fifteen-for-Floors" and "Fullerwear."

They are Fuller's Specifications for home floors—each for a particular effect.

We make also a special line of pelats, varnishes, enamels, etc., for all kinds of interior decorating. And we maintain a Free Advice Department that will tell you in detail how to use them. You simply describe the article, how finished now, and the effect you want to get.

We've specified these materials and methods for you after 72 years' experience with paints and painting practice. We are one

of the largest paint manufacturers in the United States.

Don't think you can't do work like this simply because you haven't ever done it. Follow Fuller Specifications and you'll get the right effect.
