

FILE NAME: Asbestos Cement Pipe and Sheet (ACPS)

DATE: 1986 Aug 22

DOC#: ACPS123

DOCUMENT DESCRIPTION: Memo RE OSHA Standards & Insurance Co.
Statement that J-M is Out of Compliance

J-M Manufacturing Co., Inc.

Internal Correspondence

To : Dr. E.E. Wang

Date: 22 August 1986

From : Homer Heleh *Homer*

Copies : Wilfred Wang, Terry Lohman, Shawn M. Medvin

Subject : OSHA Standards

RECEIVED

AUG 22 1986

As'd.....

It has been brought to my attention (see attached) from our insurance broker about OSHA's revised standards on asbestos fibers in the air. Insurance Company of North America claims that J-M's exposure is not permissible at the new standard.

Dr. Wang, I would like you to comment on this statement and inform me on the actual exposure. I would appreciate your immediate response. Thank you.
