

INSPECTION REPORT

Facility Name: A&G Diesel

Attached please find the United States Environmental Protection Agency's (EPA's) inspection report of your inspected facility and/or any vehicles/engines identified therein. EPA is providing this report as a matter of agency policy and will contact you again only if needed.

Without making a determination that your business or organization is a small business, EPA is also providing you with a link to a Small Business Resources Information Sheet (<https://www.epa.gov/compliance/small-business-resources-information-sheet>) which provides an array of resources to help small businesses understand and comply with federal and state environmental laws.
