* Carton Quantity 100 Pieces Each Long and Short

Prices for parts not listed, available from American Brakeblok on request.

IMPORTANT NOTE: Specify "Primary" or "Secondary" in each case in ordering segments for Bendix Brakes.

For Lockheed Brakes: Specify "Forward" for long segments; "Reverse" for short segments, or number of pieces only where segments are all same length. Where segments of set are all same length, price is shown in "Long" column.
