DOCUMENT DESCRIPTION: Memo - Light Truck Lining Suppliers

Inter Office

Ford North American
Automotive Operations
Purchasing
P.O. Box 1957-B
June 11, 1979

To: Mr. N. K. Modi

From: W. G. Lange

Subject: Light Truck Lining Suppliers

Reference: Confirming 6-7-79 telephone conversation

In an effort to document our telephone conversation of June 7, 1979, I am issuing this confirming letter.

To the best of your knowledge, Bendix Friction Material has been the only lining supplier used by Light Truck Engineering over the last twenty years. At your request I reviewed this with Mr. Peter Wood and he is in agreement.
