Dear Paula:

In response to your June 5, 1991 letter, please be advised this case was last up May 20, 1991 before Arbitrator Black and continued to August 20, 1991.

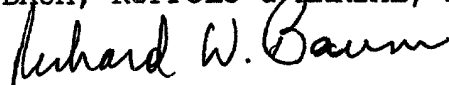

My efforts to obtain information from opposing counsel have been fruitless and, additionally, I have never received any medical or employment information. This seems to be a matter which fell between the cracks.

Please see if you can obtain for me the entire personnel and medical file, if there is one, from the Chicago facility.

Thank you for your anticipated cooperation.

Very truly yours,

BAUM, RUFFOLO & MARZAL, LTD.
