Mr. F. E. Wormser, Secretary  
Lead Industries Association  
420 Lexington Avenue  
New York, N. Y.

Dear Mr. Wormser:

I believe that a lot of our own people are still  
a bit hazy on what the Lead Industries Association  
is, what it has done, and are now doing.

If we had a brief summary along this line we could,  
I believe, use it to advantage.

Very truly yours,
