Subject: NAHB Comments with Recommended Reg Text

Matt and Susan— below is a link to NAHB comments that include reg text, graphics, and reasoning regarding their recommended approach to WOTUS step 2. Dave wanted to make sure you had a chance to take a look at them. NAHB's written recommendations were submitted in response to the Agencies' request for comment during our fall stakeholder outreach (Docket ID No. EPA-HQ-OW-2017-0480).
