Dear Dr. Machle: Re: [REDACTED] v. Shell

Many thanks for furnishing me with a copy of the blood and urine analysis for [REDACTED]

Shell has received, from the Workmen's Compensation Board, a copy of a so-called impartial examination of the claimant by Dr. Reuben T. Lapidus, 39 Hooker Avenue, Poughkeepsie, New York. The letter of transmittal from the Board in Albany, dated November 13, 1947, states that a copy of this report has already been sent to the claimant, and the case is now ready for another hearing, which will be arranged at the earliest possible opportunity. For your convenience and information, I am enclosing a copy of this report, dated October 27, 1947.

After you have had an opportunity to examine same, I shall appreciate the benefit of your comments and suggestions.

Very truly yours,

Phillip M. Payne
