Subject: RE: Ethylene Oxide Issue

Hi Bill – I am just following up with you as to whether you might have a few minutes to talk on Monday regarding the ethylene oxide issue, or perhaps for us to talk with Clint Woods if you're unavailable.

Thanks and hope all is well with you.

Best,
Stephen

Subject: Ethylene Oxide Issue

Bill – We're involved in the ethylene oxide (EO) issue for a client the uses EO in its sterilization facilities. I was wondering whether you might have a few minutes to talk with me and my partner Tom Roberts on several recent developments regarding the EO issue. Based on our conversation, we can then collectively assess whether it is useful to schedule a full blown meeting with you and our client on this matter. Let me know if you might have a few minutes to talk briefly this afternoon or Monday.

Many thanks,
Stephen
