Dear Mr. Shepherd:

Subject: Dr. Leroy U. Gardner's Asbestos Dust Experiments

Thank you for your letter, T&N No. 2884, of May 15th enclosing copy of Dr. Francis' notes written after perusal of the outline of the proposed monograph by Dr. Gardner. I am sending a copy of Dr. Francis' notes to Dr. Gardner and hope to have his reply within a reasonable period of time, after which I will of course send it along to you.

As yet I have not received Dr. Gardner's final report and am today writing to find out when we may expect to have it in our hands.

Yours sincerely,

KEASBEY & MATTISON COMPANY
