RE: Bid Packages for Asbestos Abatement at the Power House Basement.

Sun City Analytical, Inc. (SCAI) has completed the review of the bid package submittal from the four responsive bidders we invited to the above mentioned bid. All four contractors did have the necessary requirements set forth in the bid documents.

After review, SCAI recommends that the lowest bid from ACME Environmental, Inc., be accepted by ASARCO, Inc. Enclosed is the bid tally sheet with all the bid items and documentation. I am also forwarding all documents from the bid opening for your review. If you need any additional information, please do not hesitate to contact me at (915) 533-8840.

Sincerely,
Sun City Analytical, Inc.
