Visit of Dr. Pavlovsky to the U.S.A.

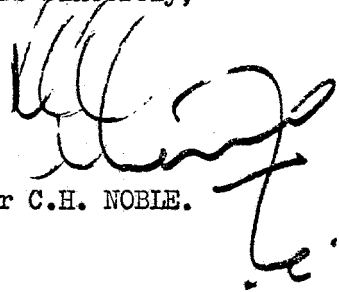

Dear Dr. Kehoe,

You will recollect that when you were recently in London you discussed with Mr. Bevan and Mr. Noble the proposed visit of Dr. and Mrs. Pavlovsky to the U.S.A.

Our Mr. Moffat has now advised us that Dr. and Mrs. Pavlovsky expect to arrive in Cincinnati from New York via American Airlines, flight 775, ETA 11.25 on the 18th August, ETD for San Francisco noon on the 19th August, and we would appreciate it if you would be kind enough to make hotel arrangements accordingly.

Our kindest regards.

Yours sincerely,

for C.H. NOBLE.
