Dear Counsel:

You will recall under my letter dated November 7, 2001, I forwarded to you Bates-stamped A. P. Green Services, Inc. aka Bigelow-Liptak Corporation's Louisiana job cards. It was brought to my attention that Bates #00010 was a poor copy, with a portion of the number being "cut off."

I have obtained a clearer copy of Bates #00010, and it is enclosed for your reference. Please substitute this copy for the copy that was sent under my letter dated November 7, 2001.

Yours very truly,

Martin L. Mayo
