May 7, 1970

Mr. Jack Barnhart, Executive Secretary
NIMA
441 Lexington Avenue
New York, New York 10017

Thank you, Jack,

for your letter of May 1, in which you propose the following as the title for NIMA's portion of our Convention program:

NIC
A - Relationship for Occupational Health and Safety
NIM

I have spoken with Marvin Gibbons regarding this title and we feel that, while it is good, it would cause some confusion at this time with regard to the Health and Safety Fund being negotiated as part of the Industry Fund.

We suggest that you use instead - "NIMA's Cooperation in the Health and Safety Program".

Please note that, due to a schedule change, your segment will now take place from 8:35 a.m. to 9:10 a.m.

I will arrange to have a 35mm projector and screen for your use at the specified time.

Truthfully yours,

John C. Pollock
Executive Director
