SUBJ: PROPOSED CMA ETHYLENE PANEL

Interoffice
Communication

VISTA

Based on the feedback received it has been decided that we will not participate in the organizational meeting of this panel. In summary the benefits of an Ethylene and related products panel aren't clear at this time and specifically Vista's interests wouldn't appear to be served by such a panel.

I'll notify CMA of our decision at this point. If the meeting results in new data on the need and benefits, I'll get back to you.
