Subject: Press call for tomorrow re: Kansas Trip

EPA Team, Kansas Team:

Mary e-mailed me a couple hours ago, but internet has been down while I was in motion, so late to the followup. Can the EPA team (and your press) do a call with our press tomorrow? I think they have a path forward that works.

Mary from KDA will organize. Kendall Marr, the Governor's spokesperson, and Heather Landsdown, the KDA spokesperson are both copied and will run point from our end on press.

I can circulate a call in number if that helps people. Let me know what works. 1100hrs EDT? Just starting the time negotiation.

Thanks,
Adam
