- (c) Design of brake linings and clutch facings.

- (a) Euclid Road Machinery Company, street address unknown,
Cleveland 17, Ohio;
- (b) 1953;
- (c) Distribution of brake linings for Euclid loaders, trucks,
haulers, and scrapers.

INTERROGATORY NO. 5:

Since 1930, at any time did you have an ownership interest of five percent or greater in a company that either mines, produces or sells raw asbestos fiber? If the answer is in the affirmative, state the following:

- (a) The name of such corporation or entity;
- (b) The date of incorporation or charter;
- (c) The state or country of incorporation;
- (d) Each such ownership interest owned in each corporation,
setting forth any change in such interest;
- (e) The date such interest was acquired;
- (f) The date of formation of such corporation or entity;
- (g) The date such interest changed or terminated, if applicable;
- (h) The name and location of each asbestos mine so owned;
- (i) The grade and type of asbestos mined at each mine.

RESPONSE No. 5: No.
