Re: The Flintkote Company

Dear Barry:

Receipt of yours dated 5-06-85 is acknowledge.

I am enclosing the following materials for your review:

- EPA: "Analysis of Selected Chemical Substances"
- Levels of Asbestos Air Pollution in some Environmental Situations
- Indoor Airborne Asbestos Pollution
- Floor Tile Installation as a Source of Asbestos Exposure.
- Recommended Work Procedures for Resilient Floor Coverings.

any pre-1977 claims

Responsive to your inquiry re: workers claims filed based on exposure to vinyl flooring products, I have enclosed a document entitled "1977-1981 alleged O.D. ("Occupations Disease") and Asbestos Claims. This document reflects, claims made out of our Flintkote Vernon, California plant. This facility appears to be responsible for the manufacture of flooring, paper, and roofing products. As to the individual claims brought, the appropriate division is designated.

Thanks for your involvement in these cases. As you can see from the attached we have a case a day scheduled from August 26, 1985 through September 26, 1985. The department (1) in Los Angeles Superior court responsible for finding courtrooms for these cases is currently running about 3+ weeks behind.
