**Subject:** RE: Copper Development Association: Review and Approval of Claims for Antimicrobial Copper Products Based on Clinical Trial Results (Confidential Business Information)

Joe,  
Thank you for keeping me in the loop. I believe all CBI information needs to be formally submitted and John Hebert can assist you with that if you have problems with the software. Nevertheless, I will be treating the information you shared with me as CBI. John is also the best person to work with you to help facilitate setting up a peer review process. Hopefully those discussions can occur sooner rather than later.

Regards,  
Nancy

**Subject:** RE: Copper Development Association: Review and Approval of Claims for Antimicrobial Copper Products Based on Clinical Trial Results (Confidential Business Information)

**\*\* Confidential Business Information \*\***

Dear Deputy Assistant Administrator Beck –

The Copper Development Association (CDA) is pleased to submit to CBI / Ex. 4

**CBI / Ex. 4**

CBI / Ex. 4 as well as the supporting documents. As noted in the letter, please treat the data files and accompanying information as **Confidential Business Information** and limit distribution and access accordingly.

We also request a call to follow up on the review panel selection criteria and process. Please let us know the availability of you and your team for such a call.

Your continued attention to this matter is greatly appreciated. If you have any questions about the data files or other attachments, please do not hesitate to contact me.

Regards,  
Joe

**Subject:** RE: Copper Development Association: Review and Approval of Claims for Antimicrobial Copper Products Based on Clinical Trial Results

Thank you Joe. We look forward to working with CDA to make some progress in this space.  
John Hebert will be our main point of contact.

Regards,  
Nancy
