Dear Mr. Schultz:

On behalf of the members of the Vinyl Chloride Safety Association and the wives that accompanied us to Bermuda, I would like to express our sincere thanks to you and your company for the Hospitality Suite you arranged for us.

You have been so faithful at these meetings that it seems a part of the meeting to visit with Noury after the days lectures. In addition to the excellent drinks and hors d'oeuvres the Hospitality Suite provides a setting where members can enjoy fellowship with each other that would otherwise not be possible.

I have received many compliments regarding your activity and have been asked to pass them on to you. I take this opportunity to do so and look forward to meeting with you next year at Hilton Head.

Sincerely,

H. G. Olson
Secretary
