IN THE DISTRICT COURT OF

**CAMERON COUNTY, TEXAS**

**197<sup>TH</sup> JUDICIAL DISTRICT**

**MOTION IN LIMINE OF DEFENDANT UNITED STATES  
GYPSUM COMPANY TO EXCLUDE ALL POST-SALE EVIDENCE  
AND ALL EVIDENCE RELATING TO PRODUCTS NOT AT ISSUE**

Defendant United States Gypsum Company ("U.S. Gypsum") moves as follows to exclude all post-sale evidence and all evidence relating to products not at issue:

1. At the trial of this matter, plaintiff may attempt to introduce evidence concerning U.S. Gypsum's post-sale conduct or knowledge and evidence relating to products not at issue in this litigation.
2. Plaintiff may attempt to offer this evidence to show that the products at issue were defective, or that U.S. Gypsum was negligent.
3. All post-sale evidence and all evidence relating to products not at issue is inadmissible because this evidence is irrelevant.
4. Any probative value of post-sale or other-product evidence is substantially outweighed by the prejudicial effect of such evidence, and by the potential for delay and confusion of the issues and the jury.

5. Further support for this motion is contained within the accompanying memorandum of law, which is incorporated by reference herein.

WHEREFORE, U.S. Gypsum respectfully requests that the Court enter an order excluding any post-sale or other-product evidence.

Respectfully submitted,
