Subject: Improvements Exchange Extension

Re: VCM License Agreement dated 8 November, 1967

Dear Jim:

Enclosed are two copies of a letter for the purpose of reactivating the improvements exchange provisions of the referenced Agreement.

Please arrange to have these reviewed by CONOCO. If it is appropriate both copies should be signed by an officer of CONOCO and returned to my attention. I will arrange to have both copies signed for Stauffer and return one fully executed original for CONOCO's files.

If there are any questions or problems with these Agreements please let me know. At Stauffer we would be pleased to see the Improvements Exchange continue and to see our CONOCO friends at the VCM Symposium this September.

Sincerely,

M. J. Canales
