

JPS
INTEL OFFICE MEMO TO: DEGO CHEMICAL CO., INC.

TO Mr. P. Reed AT Piscataway DATE July 22, 1977
FROM J. P. Sandstedt AT Piscataway COPY TO Mr. W. P. Anderson
SUBJECT ANALYTICAL METHODS: EPA/VCM Mr. D. C. Coldiron
Mr. W. F. Gabel
Mr. G. I. Rozand

In view of the possible loss of our analytical equivalencies, please update implementation plans and costs relating to the use of Test Methods 106 and 107 at our plants.

Since it will be necessary to request lead time (waiver), this should include a compliance schedule per provisions of the Standard.
